DOCKET NO. 92S-294T

COMMISSION ORDER DENYING APPLICATION FOR
REHEARING, REARGUMENT, AND RECONSIDERATION
AND DENYING PERMISSION TO FILE SUPPLEMENT

Mailing Date: July 26, 1993
Adopted Date: July 21, 1993

BY THE COMMISSION:

On July 1, 1993, Silverado Communications Corporation ("Silverado") filed its Application for rehearing, reargument, or reconsideration ("RRR") to Decision No. C93-668. That decision affirmed Recommended Decision No. R93-199 by the Administrative Law Judge. Now being duly advised in the matter, we hereby deny the application for RRR. The reasons for our present order are sufficiently articulated in the above-referenced decisions. To the extent specific arguments on RRR were not addressed in our prior decisions, we now specifically reject all such arguments as being legally invalid or factually insupportable based upon the present record.

Silverado also requested that it be allowed to supplement its application for RRR by July 9, 1993. Since Silverado did not file any such supplementation by the requested date, the motion is moot and will be denied.

THEREFORE THE COMMISSION ORDERS THAT:

1. The application for rehearing, reargument, or reconsideration by Silverado Communications Corporation is denied.
2. The motion to supplement the application for rehearing, reargument, or reconsideration is denied.

This order is effective upon its Mailed Date.

ADOPTED IN OPEN MEETING July 21, 1993.
