A. Statement, Findings, and Conclusion

1. On December 16, 1994, Regional Transportation District, doing business as RTD, filed an application (Docket No. 94A-660CP-TA) for temporary authority to conduct operations as a common carrier by motor vehicle for hire for the transportation of passengers, on schedule, (1) between the Market Street station located at the intersection of 16th and Market Streets in Denver, Colorado, on the one hand, and the Loveland Basin ski area, on the other hand. Service is to be provided via Interstate 25, U.S. Highway 6, and Interstate 70, with service to intermediate points

along Interstate 70, and the town of Empire, Colorado, through May 14, 1995. (2) between Market Street station, on the one hand, and Georgetown, Colorado, on the other hand, via Interstate 25, U.S. Highway 6, and Interstate 70, with service to all intermediate points along Interstate 70, and the town of Empire, Colorado.

2.The Commission gave notice of the application on December 27, 1994. No interventions opposing a grant of the application were filed.

3.Pursuant to § 40-6-120, C.R.S., the application for temporary authority is under consideration for a Commission order.

4.Pursuant to § 40-6-120(1), C.R.S., the Commission is authorized to grant temporary authority when there appears to be "an immediate and urgent need to any point or within a territory having no carrier service capable of meeting such need."

5.The support filed on behalf of this application indicates that there is an immediate and urgent need for the proposed service. The Commission will therefore grant the application.

6.The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready, and able to

operate under all Commission rules and regulations governing carriers by motor vehicle.

7.This application for temporary authority is in the public interest and should be granted.

II.ORDER:

A.The Commission Orders That:

1.Regional Transportation District, doing business as RTD, is granted temporary authority to conduct operations as a common carrier by motor vehicle for hire for a period of 180 days commencing from the Mailed Date of this Order, with authority as set forth in the attached Appendix.

2.Regional Transportation District, doing business as RTD, shall not commence operation until all requirements have been met and notice in writing has been received from the Commission that the Applicant is in compliance and may begin service. If the Applicant does not comply with the requirements of this ordering paragraph within 30 days of the effective date of this Order, then ordering paragraph 1 above, which grants authority to the Applicant, shall be void, and the authority granted shall then be void. On good cause shown, the Commission may grant additional time for compliance, if the request for additional time is filed within the 30 days.

3.The 20-day time period provided by § 40-6-114(1), C.R.S., to
file an application for rehearing, reargument, or
reconsideration shall begin on the first day after
