**COMMISSION ORDER GRANTING
TEMPORARY AUTHORITY**

Mailed date: February 24, 1995
Adopted date: February 23, 1995

I. BY THE COMMISSION:

A. Statement

1. On February 1, 1995, Casino Coach, Inc. filed an application (Docket No. 95A-046CP-Extension-TA) for temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 49180 for the transportation of passengers, in sightseeing service, between all points in the County of Summit, State of Colorado, and between said points, on the one hand, and all points in the State of Colorado, on the other hand. This application is restricted (1) to providing service which both originates and

terminates in the County of Summit, State of Colorado;
and (2) against providing service to Central City or
Black Hawk, Colorado.

2.The Commission gave notice of the application on February 7, 1995.

An intervention opposing a grant of the application
was filed by The Dee Hive Tours ("Dee Hive").

3.By § 40-6-120, C.R.S., the application for temporary authority is
under consideration for a Commission order.

B.Findings of Fact

1.Pursuant to § 40-6-120(1), C.R.S., the Commission is authorized
to grant temporary authority when there appears to
be "an immediate and urgent need to any point or within
a territory having no carrier service capable of
meeting such need."

2.The support filed on behalf of this application indicates that there
are no carriers presently providing sightseeing
services from Summit County, State of Colorado. The
Intervenor, Dee Hive, does hold Certificate of Public
Convenience and Necessity PUC No. 19428 which
authorizes the transportation of passengers in
sightseeing service, between Leadville, Colorado, on
the one hand, and all points within a 25-mile radius
of Leadville, on the other hand. However, with the
restriction placed upon the application of having to
both originate and terminate service in Summit County,

State of Colorado, there is virtually no overlap between the proposed service and Dee Hive's existing authority.

C. Conclusion

1. The Commission finds that due to the facts stated in paragraph 2 above, there are presently no carriers capable of providing the services requested, and that there is as immediate and urgent need for those services. The Commission will grant the application.
2. The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready, and able to operate under all Commission rules and regulations governing carriers by motor vehicle.
3. This application for temporary authority is in the public interest and should be granted.
4. The Applicant is advised that the granting of a temporary authority makes no presumption that permanent authority will be granted.

II. ORDER

A. The Commission Orders That:

1. Casino Coach, Inc. is granted temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 49180 for a period of 180 days commencing from the Mailed Date of this Order, with

authority as set forth in the attached Appendix.

2.Casino Coach, Inc. shall not commence operation until all requirements have been met and notice in writing has been received from the Commission that the Applicant is in compliance and may begin service. If the Applicant does not comply with the requirements of this ordering paragraph within 30 days of the effective date of this Order, then ordering paragraph 1 above, which grants authority to the Applicant, shall be void, and the authority granted shall then be void. On good cause shown, the Commission may grant additional time for compliance, if the request for additional time is filed within the 30 days.

3.The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.

B.This Order is effective on its Mailed Date.

ADOPTED IN OPEN MEETING February 23, 1995.
