TEMPORARY AUTHORITY**

Mailed date: April 19, 1995
Adopted date: April 12, 1995

I. BY THE COMMISSION:

A. Statement

1. On March 29, 1995, Shamrock Taxi of Fort Collins, Inc., doing business as Shamrock Shuttle, filed an application (Docket No. 95A-141CP-Extension-TA) for temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 49759 for the transportation of passengers and their baggage, in scheduled and call-and-demand limousine service, between all points within a 5-mile radius of Drake Road and College Avenue, in Fort Collins, Colorado; all points within a 5-mile radius of the intersection

of Eisenhower Boulevard and Cleveland Avenue, in Loveland, Colorado; all points within a 5-mile radius of 16th Street and 23rd Avenue in Greeley, Colorado; and all points within a 1 mile radius of the intersection of Interstate 25 and Colorado Highway 119 in Weld County, Colorado, on the one hand, and, on the other hand, all points within a 1 mile radius of Coors Field in Denver, Colorado. This application is restricted to providing service which originates and/or terminates in Fort Collins, Colorado, Loveland, Colorado, Greeley, Colorado, and/or points within a 1 mile radius of the intersection of Interstate 25 and Colorado Highway 119 in Weld County, Colorado.

2.The Commission gave notice of the application on April 3, 1995.

No interventions opposing a grant of the application were filed.

3.By § 40-6-120, C.R.S., the application for temporary authority is under consideration for a Commission order.

B.Findings and Conclusion

1.Pursuant to § 40-6-120(1), C.R.S., the Commission is authorized to grant temporary authority when there appears to be "an immediate and urgent need to any point or within a territory having no carrier service capable of meeting such need."

- 2.The support filed on behalf of this application indicates that there is no service of this type currently available to the residents of Fort Collins, Loveland, or Greeley, Colorado. With the opening of the 1995 baseball season being scheduled for April 26, 1995, the needed availability of this service may be construed as both immediate and urgent.
- 3.The Commission finds that there is a need for additional transportation services, and will grant the application.
- 4.The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready, and able to operate under all Commission rules and regulations governing carriers by motor vehicle.
- 5.This application for temporary authority is in the public interest and should be granted.
- 6.The Applicant is advised that the granting of a temporary authority makes no presumption that permanent authority will be granted.

II. ORDER

A.The Commission Orders That:

- 1.Shamrock Taxi of Fort Collins, Inc., doing business as Shamrock Shuttle, Inc., is granted temporary authority to extend operations under Certificate of Public

Convenience and Necessity PUC No. 49759 for a period of 180 days commencing from the Mailed Date of this Order, with authority as set forth in the attached Appendix.

2. Shamrock Taxi of Fort Collins, Inc., doing business as Shamrock Shuttle, shall not commence operation until all requirements have been met and notice in writing has been received from the Commission that the Applicant is in compliance and may begin service. If the Applicant does not comply with the requirements of this ordering paragraph within 30 days of the effective date of this Order, then ordering paragraph 1 above, which grants authority to the Applicant, shall be void, and the authority granted shall then be void. On good cause shown, the Commission may grant additional time for compliance, if the request for additional time is filed within the 30 days.

3. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.

B. This Order is effective on its Mailed Date.

ADOPTED IN OPEN MEETING April 12, 1995.
