**NOTICE OF PROPOSED RULEMAKING**

-----  
Mailed Date: August 10, 1995  
Adopted Date: August 2, 1995  
-----

**I. BY THE COMMISSION:**

**A. Statement**

1.As a result of the federal preemption resulting from the "AIRPORT IMPROVEMENT ACT OF 1994," 49 U.S.C. Section 11501(h), the Colorado General Assembly enacted HB 95-1068. This legislation was signed into law and became effective on May 31, 1995. HB 95-1068 creates a new class of motor carrier (carriers of property by motor vehicle) within Article 16 of Title 40, C.R.S., and requires the Commission to issue permits to these carriers based upon insurance and safety requirements. In addition to requiring liability insurance, HB 95-1068 also requires that property

carriers by motor vehicle carry cargo insurance in such amount and in such form as required by Commission rule. The intent of the rules is to establish cargo insurance limits and procedures to be used by carriers in complying with the dictates of HB 95-1068.

2.The proposed rules further require that motor vehicle carriers exempt from regulation as public utilities carry proof of registration in each motor vehicle. The purpose of this rule is to aid enforcement of the registration requirement found at § 40-16-103, C.R.S.

3.Additionally, the proposal includes a rule specifying requirements for the Designation of Agent required by the provisions of § 40-16-103, C.R.S. The purpose of this rule is to establish who may act as an agent for service of process.

4.In Decision No. C95-486, the Commission adopted emergency rules relating to the same subject matter. An intent of this rulemaking docket is to consider permanent rules to replace the emergency regulations previously adopted.

5.A copy of the proposed rules is attached to this notice of proposed rulemaking. The statutory authority for the proposed rules as found at § 40-2-108, C.R.S.

6.The Commission will conduct a hearing before an administrative law

judge on the proposed rules and related issues beginning at 9:00 a.m. on October 2, 1995. The hearing will be conducted in a Commission Hearing Room, Office Level 2 (OL2), Logan Tower, 1580 Logan Street, Denver, Colorado 80203. Interested persons may submit written comments on the rules and present these orally at hearing, unless the Commission deems oral presentations unnecessary. Interested persons may file written comments before the hearing. All submissions will be considered by the Commission.
