**I. BY THE COMMISSION:**

**A. Statement, Findings, and Conclusion**

1. On September 28, 1995, Emin Enterprises, Inc. filed an application (Docket No. 95A-482BP-TA) for temporary authority to conduct operations as a contract carrier by motor vehicle for hire for the transportation of passengers and their baggage, between the facilities of the Madison Group, Inc., located at both 1290 Broadway, Denver, Colorado and 5482 South Ulster Street Parkway, Denver, Colorado, and the facilities of Avanti Petroleum, Inc., located at 5231 South Quebec Street, Englewood, Colorado, on the one hand, and Denver International Airport, on the other hand. This

application is restricted to transporting employees or clients of the above-named companies.

2.The Commission gave notice of the application on October 16, 1995.

No interventions opposing a grant of the application were filed.

3.By § 40-6-120, C.R.S., the application for temporary authority is under consideration for a Commission order.

4.Pursuant to § 40-6-120(1), C.R.S., the Commission is authorized to grant temporary authority when there appears to be an immediate and urgent need to any point or within a territory having no carrier service capable of meeting such need.

5.The support filed on behalf of this application indicates that the Applicant is willing and capable of providing the personalized service required by those supporting the application. There is an immediate and urgent need for the transportation service requested. The Commission will grant the application.

6.The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing,

ready, and able to operate under all Commission rules and regulations governing carriers by motor vehicle.

7.This application for temporary authority is in the public interest and should be granted.

8.The Applicant is advised that the granting of a temporary authority makes no presumption that permanent authority will be granted.

## **II.ORDER**

### **A.The Commission Orders That:**

1.Emin Enterprises, Inc. is granted temporary authority to conduct operations as a contract carrier by motor vehicle for hire for a period of 180 days commencing from the Mailed Date of this Order, with authority as set forth in the attached Appendix.

If the Applicant does not comply with the requirements of this ordering paragraph within 30 days of the effective date of this Order, then ordering paragraph 1 above, which grants authority to the Applicant, shall be void, and the authority granted shall then be void. On good cause shown, the Commission may grant additional time for compliance, if the request for additional time is filed within the 30 days.

3.The 20-day time period provided by § 40-6-114(1), C.R.S., to file
