Mailed date: January 25, 1996
Adopted date: January 24, 1996

I. BY THE COMMISSION:

A. Statement, Findings, and Conclusion

1. On January 12, 1996, Denver Airport Limousine Service Inc., doing business as Denver Airport Shuttle, Inc., filed an application (Docket No. 96A-024CP-Extension-ETA) for emergency temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 82, for the transportation of passengers and their baggage, in scheduled service, between the Colorado Springs Municipal Airport, in Colorado Springs, Colorado, on the one hand, and all points in Adams County, Colorado, that are located within

a one-mile radius of the intersection of Interstate 25 and 58th Avenue, Adams County, State of Colorado, on the other hand.

2. By § 40-6-120, C.R.S., the application for emergency temporary authority is under consideration for a Commission order.

3. Pursuant to § 40-6-120(1), C.R.S., the Commission is authorized to grant emergency temporary authority when there appears to be an emergency need to any point or within a territory having no carrier service capable of meeting such need.

4. The support filed on behalf of this application indicates that there is a need for scheduled service between the Colorado Springs Municipal Airport and points within the requested area. The Commission's records indicate that, at present, there are no other carrier services capable of providing the desired service.

5. The Commission finds due to the facts stated in paragraph 4 above, there is an emergency need for additional transportation services. The Commission will grant the application.

6. The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready, and able to operate under all Commission rules and regulations

governing carriers by motor vehicle.

7. This application for emergency temporary authority is in the public interest and should be granted.

8. The Applicant is advised that the granting of an emergency temporary authority makes no presumption that temporary or permanent authority will be granted.
