I. BY THE COMMISSION:

A. Statement

1. On January 12, 1996, Denver Airport Limousine Service Inc., doing business as Denver Airport Shuttle, Inc., filed an application (Docket No. 96A-024CP-Extension-TA) for temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 82 for the transportation passengers and their baggage, in scheduled service, between the Colorado Springs Municipal Airport in Colorado Springs, Colorado, on the one hand, and all points in Adams County, Colorado, that are located within a one-mile

radius of the intersection of Interstate 25 and 58th Avenue, Adams County, State of Colorado, on the other hand.

2.The Commission gave notice of the application on January 22, 1996.

No interventions opposing a grant of the application were filed.

3.By § 40-6-120, C.R.S., the application for temporary authority is under consideration for a Commission order.

B.Findings of Fact

1.Pursuant to § 40-6-120(1), C.R.S., the Commission is authorized to grant temporary authority when there appears to be an immediate and urgent need to any point or within a territory having no carrier service capable of meeting such need.

2.The support filed on behalf of this application indicates that there is a need for scheduled service between the Colorado Springs Municipal Airport and points within the requested area. The Commission's records indicate that, at present, there are no other carrier services capable of providing the desired service.

C.Conclusion

1.The Commission finds due to the facts stated in paragraph 2 above, there is as immediate and urgent need for additional transportation services. The Commission will grant the application.

2.The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready, and able to operate under all Commission rules and regulations governing carriers by motor vehicle.

3.This application for temporary authority is in the public interest and should be granted.

4.The Applicant is advised that the granting of a temporary authority makes no presumption that permanent authority will be granted.

II. ORDER

A. The Commission Orders That:

1.Denver Airport Limousine Service Inc., doing business as Denver Airport Shuttle, Inc., is granted temporary authority to extend operations under Certificate of Public Convenience and Necessity PUC No. 82 for a period of 150 days commencing from the Mailed Date of this Order, with authority as set forth in the attached Appendix.

2.Denver Airport Limousine Service Inc., doing business as Denver Airport Shuttle, Inc., shall not commence operation until all requirements have been met and notice in writing has been received from the Commission that the Applicant is in compliance and may begin service.

If the Applicant does not comply with the requirements of this ordering paragraph within 30 days

of the effective date of this Order, then ordering paragraph 1 above, which grants authority to the Applicant, shall be void, and the authority granted shall then be void. On good cause shown, the Commission may grant additional time for compliance, if the request for additional time is filed within the 30 days.

3. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.
