Schedule 1 MCIm Interconnection Agreement Rates

PRICE SCHEDULE

Section 1. General Principles

1.1 All rates in this Agreement are interim in nature. Permanent rates will be established by the Commission in its generic costing and pricing Docket No. 96S-331T.

~~1.2 Except as otherwise specified in this Agreement, USWC shall be responsible for all costs and expenses it incurs in: (a) complying with and implementing its obligations under this Agreement, the Act and the rules, regulations and orders of the FCC and the Commission, and (b) the development, modification, technical installation and maintenance of any systems or other infrastructure which it requires to comply with and to continue complying with its responsibilities and obligations under this Agreement.~~

1.23 Prices for interconnection, access to unbundled network elements, services subject to resale, and ancillary services are those set forth in the interim tariff filed by USWC pursuant to Commission Docket 233T. Permanent rates shall be established by the Commission in Docket 96S-331T, and may be modified from time to time consistent with any other Commission decision. Differences between the interim rates actually paid by MCI and the permanent rates shall be trued up with interest (accumulated at a rate equal to the federal prime rate, as published in the Wall Street Journal from time to time).

1.35 The interim wholesale discounts are set forth in Schedule 1 to this Attachment 1.

1.4 USWC shall develop standard, interim prices based upon cost for loop conditioning services to the extent such services are not covered by the Interconnection Tariff. Loop conditioning for advanced services such as ISDN shall be made available by USWC, subject to the Interconnection Tariff. To the extent not covered by the Interconnection Tariff, USWC shall develop a standard non-recurring charge for removal of existing conditioning, normally load coils for voice-grade service.

Interim prices for services for which no 233T rate exists shall be negotiated pursuant to the Bona Fide Request Process set forth in the General Section of this Agreement. All such rates will be subject to modification and true-up established in Docket No. 96S-331T (or rates and terms as modified pursuant to any other Commission decision).

Section 2. Non-Discriminatory Treatment

2.1 USWC shall offer rates to MCI in accordance with the provisions of the General Section of this Agreement.

Section 3. ~~Interconnection and Reciprocal Compensation~~

3.1 The Parties shall ~~exchange traffic for local calls (calls originating and terminating within the same local calling area) in accordance with 4 Code of Colorado Regulations ("CCR") 723-39-4.8. Thereafter, compensation for local traffic shall be in accordance with 4 CCR 723-39-4.6. use a bill and keep approach for termination and transport elements, including any tandem switching.~~

Section 4. Operator Services

4.1 The prices for Operator Services in the Interconnection Tariff provide for service branded with the USWC brand. The cost and price of "MCI branded" or "unbranded" Operator Services shall be determined in Docket No. 96S-331T.

Section 5. Switch Elements

5.1 The pricing of the basic switching function and the associated features and functions by USWC shall be determined in Docket No. 96S-331T. In the interim, MCIIm may obtain these services through the BFR process.

Section 6. Network Interface Device ("NID")

6.1 Hookup of MCIIm to the USWC NID and installation of a larger capacity NID shall be the responsibility of USWC. MCIIm shall be responsible for payment of any hookup or non-capitalized installation charges. To the extent there are capitalized investments made for which recurring charges are normally assessed, the manner of collection of these shall be incorporated into the Interconnection Tariff. MCIIm shall be responsible for payment of any such recurring charges pursuant to the Interconnection Tariff.

Section 7. Directory Listings

7.1 To the extent that directory listing services are not described in the Interconnection Tariff and/or the same are not provided to MCIIm by U S WEST Dex or a third party directory publisher, the provision of such services and the recovery of the associated cost, shall be made pursuant to the BFR process.
