723-24-5.3.9.1 Revision of Terms of Relaxed Regulation. A provider that has previously implemented relaxed regulation, granted under these rules, may elect to modify the terms of that relaxed regulation. In that event, the provider may choose between the relaxed regulation ordered by the Commission or the default relaxed regulation for Part 3 local exchanges services as detailed in 4 CCR 723-38-3. The provider shall make that election by filing a notice with the Commission. That notice, signed by a duly authorized representative of the provider, shall be filed in the docket granting the provider a form of price or relaxed regulation, shall identify the previous Commission order granting the price or relaxed regulation which is to be superseded by the provisions of Rule 723-38-3.2.2, and state that the provider is electing the form of relaxed regulation specified in Rule 723-38-3.2.2.
