

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

DOCKET NO. 04T-026

IN THE MATTER OF THE APPLICATION FOR APPROVAL OF INTERCONNECTION
AGREEMENT BETWEEN QWEST CORPORATION AND SPRINT COMMUNICATIONS
COMPANY L.P.

**DECISION GRANTING JOINT MOTION
FOR APPROVAL OF AMENDMENT TO
INTERCONNECTION AGREEMENT**

Mailed Date: June 1, 2004
Adopted Date: May 26, 2004

I. BY THE COMMISSION

A. Statement

1. This matter comes before the Commission on the joint motions of Qwest Corporation (Qwest) and Sprint Communications Company, L.P. (Sprint) for approval of an Amendment to their Interconnection Agreement (Agreement). The Agreement was initially approved in Decision No. C04-0172, issued February 18, 2004.

2. The motion seeks approval of special promotional rates for available inventory of collocation sites. The special promotional collocation rates expired April 1, 2004, but were adopted by the parties upon execution of the Amendment on February 26, 2004. The Parties filed this voluntarily negotiated Amendment on April 14, 2004, pursuant to 4 *Code of Colorado Regulations* 723-44-4.

3. Under the terms of 47 U.S.C. § 252(i), the “pick and choose” provision of the Telecommunications Act of 1996 (the Act), Sprint may at some future date opt into the rates,

terms, and conditions of Commission approved and currently effective agreements, amendments, Statements of Generally Available Terms and Conditions, or tariffs:

[a] local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement.

4. Section 47 U.S.C. § 251 *et seq.* of the Act requires that the Commission review and approve or reject interconnection agreements involving incumbent local exchange carriers like Qwest. To comply with the Act, rates in negotiated agreements must be just and reasonable, nondiscriminatory, and based on the cost of providing the interconnection or network element. 47 U.S.C. § 252(e). In reviewing agreements (or portions thereof) the Commission generally is guided by 47 U.S.C. § 252(e)(2), requiring that interconnection agreements not discriminate against non-parties and be consistent with the public interest, convenience, and necessity.

5. We find it consistent with the directives of the Act and our own interconnection agreement rules to approve the present amended terms and conditions subject to our own rules and general ratemaking proceedings.

II. ORDER

A. The Commission Orders That:

1. The joint motion of Qwest Corporation and Sprint Telecommunications Company, L.P. to amend their Interconnection Agreement is granted.

2. This Order is effective on its Mailed Date.
