**I. BY THE COMMISSION:**

**A. Statement**

1. On June 1, 2004, Ben Sagenkahn, doing business as Peak Transit (Peak Transit), filed an application for authority to publish Time Schedule No. 9 to become effective on less-than-statutory notice. Peak Transit provides scheduled service between Colorado Springs and Denver International Airport, serving intermediate points.

2. Peak Transit proposes to publish several revisions to the schedule of the previous operator of this service, Denver Mountain Express who is unable to continue operations.

3. In support of the application Peak Transit states that the previous schedule Number 8 was filed in error and several additions were intended but were inadvertently left out.

4. Rule 31(f)(1) of the Commission's Rules of Practice and Procedure, 4 *Code of Colorado Regulations* 723-1, allows an order authorizing carriers to change tariffs or time schedules on less-than-statutory notice for good cause shown.

5. The Commission finds that good cause has been shown for the approval of the proposed changes in Time Schedule No. 8 and that the application should be granted.
