DOCKET NO. 04M-306CP

RE: IN THE MATTER OF THE APPLICATION OF CITY CAB COMPANY TO PUBLISH INCREASED RATES IN FUEL SUPPLEMENT NUMBER 1 TO PASSENGER TARIFF NO. 6, TO BECOME EFFECTIVE JUNE 13, 2004.

**COMMISSION ORDER GRANTING TARIFF CHANGES
AND PRESCRIBING SUPPLEMENT EXPIRATION DATE**

Mailed Date: June 15, 2004
Adopted Date: June 8, 2004

I. BY THE COMMISSION:

A. Statement

1. On May 14, 2004, City Cab Company of Pueblo Colorado filed an application to increase rates in Fuel Supplement Number 1 to Passenger Tariff Number 6 to become effective on June 13, 2004. City Cab provides passenger service between points in Pueblo, Colorado.

2. City Cab proposes a twenty-five cent fuel surcharge to every trip. The proposed surcharge supplement contained no expiration date. The proposal will add a 3.6 percent cost increase to the average trip.

3. In support of the application City Cab states that fuel costs to the drivers has increased substantially since the beginning of the year. City Cab drivers pay for the fuel that is used. City Cab represents under oath that the entire surcharge would accrue to the benefit of its drivers.

4. The Commission finds that the rate proposal should be allowed to go into effect by operation of law because of increased fuel costs. However, the Commission is uncertain about the continuing increase in fuel costs, and thus prescribes an expiration date of sixty days from the effective date of the supplement. We also hold City Cab to its promise that its drivers will receive the benefit of the entire surcharge.

II. ORDER

A. The Commission Orders That:

1. The application of City Cab Company of Pueblo, Colorado to increase rates in Fuel Supplement Number 1 to Passenger Tariff Number 6 to become effective on June 13, 2004, will be allowed to go into effect by operation of law.

2. Fuel Supplement Number One to Passenger Tariff No. 6, 1) shall be published on not less than one day's notice to the Commission and the general public, 2) shall be filed immediately, 3) and shall be published to expire 60 days from the effective date of the supplement.

4. This Order is effective on its Mailed Date.
