

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO**

DOCKET NO. 04A-497T

---

IN THE MATTER OF THE APPLICATION OF IEC-LEC FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO PROVIDE LOCAL EXCHANGE TELECOMMUNICATIONS SERVICES AND A LETTER OF REGISTRATION TO PROVIDE EMERGING COMPETITIVE TELECOMMUNICATIONS SERVICES.

---

**ORDER GRANTING APPLICATION**

---

Mailed Date: November 16, 2004  
Adopted Date: November 10, 2004

**I. BY THE COMMISSION**

**A. Statement and Findings of Fact**

1. On October 5, 2004, IEC-LEC filed an application for a Certificate of Public Convenience and Necessity to provide local exchange telecommunications services and a Letter of Registration to provide emerging competitive telecommunications services throughout the State of Colorado. 4 *Code of Colorado Regulations* (CCR) 723-25-4.

2. Notice of the application was posted on the Commission's web site on October 7, 2004. Interventions were due on or before October 27, 2004. None were filed.

3. On November 3, 2004, IEC-LEC filed responses to questions posed by Staff of the Colorado Public Utilities Commission. Those responses completed the initial application

**B. Discussion**

4. The application is unopposed and may be considered without a hearing. § 40-6-109(5), C.R.S.

5. Granting the application of IEC-LEC is consistent with the legislative policy statements contained in §§ 40-15-101, 40-15-501, and 40-15-502, C.R.S.

6. Before providing local exchange and emerging competitive telecommunications services, IEC-LEC must: (1) have effective tariffs for its services on file with the Commission; and (2) comply with all statutory and regulatory requirements applicable to telecommunications providers subject to the jurisdiction of the Commission. 4 CCR 723-25-4.1.10.

## **II. ORDER**

### **A. The Commission Orders That:**

1. IEC-LEC's application is deemed complete.
2. IEC-LEC is granted a Certificate of Public Convenience and Necessity to provide local exchange telecommunications services throughout the State of Colorado. A detailed description of the applicant's service territory will be delineated in the local exchange maps filed with the tariff.
3. IEC-LEC's local exchange telecommunications services will be regulated under the default regulatory scheme contained in 4 *Code of Colorado Regulations* (CCR) 723-38.
4. IEC-LEC is granted a Letter of Registration to provide the following emerging competitive telecommunications services throughout the State of Colorado: Advanced Features, InterLATA Toll Services, IntraLATA Toll Services, Premium Services, Switched Access, and Jurisdictional Private Line Services.
5. IEC-LEC's emerging competitive telecommunications services, with the exception of non-optional operator services, will be regulated under the default regulatory scheme contained in 4 CCR 723-38.

6. IEC-LEC shall serve customers in its service territory on a non-discriminatory basis. "Service territory" shall be defined as that portion of Colorado included in the local exchange maps provided with the applicant's tariffs. However, IEC-LEC shall not be required to extend service to customers where the underlying facilities-based provider has no facilities.

7. Unless the Commission orders otherwise, IEC-LEC shall begin providing local exchange and emerging competitive telecommunications services within three years after the grant of this Certificate of Public Convenience and Necessity. 4 CCR 723-25-6.

8. Before commencing operations under this Certificate of Public Convenience and Necessity to provide local exchange telecommunications services and Letter of Registration to provide emerging competitive telecommunications services, IEC-LEC shall file an Advice Letter containing local exchange maps, local calling areas, and a proposed tariff to become effective on not less than 30 days' notice. 4 CCR 723-1-41. IEC-LEC may also file a separate price list with the proposed tariff.

9. If IEC-LEC fails to file an effective tariff within three years from the Mailing Date of this Order, this Certificate of Public Convenience and Necessity to provide local exchange telecommunications services and this Letter of Registration to provide emerging competitive telecommunications services shall be deemed null and void. For good cause shown, and if a proper request is filed within three years of the Mailing Date of this Order, the Commission may grant IEC-LEC additional time within which to file a tariff.

10. In accordance with the Commission's Rules of Practice and Procedure, IEC-LEC will be required to maintain its books of accounts and records using Generally Accepted Accounting Principles. 4 CCR 723-1-25(c).

11. Consistent with terms and conditions established in previous Commission decisions, IEC-LEC will be required to contribute to the Public Utilities Commission's Fixed Utilities Fund, the Colorado High Cost Support Mechanism, the Telecommunications Relay Services for the Disabled Telephone Users Program, the Emergency Telephone Access Act Program (Low Income Fund), and other financial support mechanisms that may be created in the future by the Commission to implement §§ 40-15-502(4) and (5), C.R.S.

12. This Order is effective on its Mailed Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING  
November 10, 2004.**
