

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

DOCKET NO. 03B-287T

IN THE MATTER OF PETITION OF QWEST CORPORATION FOR ARBITRATION OF
AN INTERCONNECTION AGREEMENT WITH AT&T COMMUNICATIONS OF THE
MOUNTAIN STATES, INC. AND TCG-COLORADO PURSUANT TO 47 U.S.C. § 252(B).

**DECISION GRANTING JOINT MOTION FOR
APPROVAL OF AMENDMENT TO THE
INTERCONNECTION AGREEMENT**

Mailed Date: December 7, 2004
Adopted Date: November 17, 2004

I. BY THE COMMISSION

A. Statement

1. This matter comes before the Commission on the joint motion of Qwest Corporation (Qwest); and AT&T Communications of the Mountain States, Inc., and TCG Colorado (collectively AT&T) for an amendment to their interconnection agreement (Agreement). The Agreement was initially approved in Decision No. C04-0171 issued February 18, 2004.

2. The Parties filed this negotiated Amendment on October 18, 2004. The Parties have decided to amend the Agreement to add rates, terms, and conditions for Internet Service Bound Traffic. Under the terms of 47 U.S.C. § 252(i) of the Telecommunications Act of 1996, AT&T may at some future date opt into the terms and conditions of Commission approved and currently effective agreements:

[a] local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved under this section to

which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement.

3. Section 47 U.S.C. § 251 *et seq.* of the Act requires that the Commission review and approve or reject interconnection agreements involving incumbent local exchange carriers like Qwest. To comply with the Act, rates in negotiated agreements must be just and reasonable, nondiscriminatory, and based on the cost of providing the interconnection or network element. 47 U.S.C. § 252(e). In reviewing agreements (or portions thereof) the Commission, generally, is guided by 47 U.S.C. § 252(e)(2), requiring that interconnection agreements not discriminate against non-parties and be consistent with the public interest, convenience, and necessity.

4. The proposed rates and conditions have not been previously approved but are supported by cost studies on file in Docket No. 99A-577T. We therefore find it consistent with the directives of the Act, and our own interconnection agreement rules to approve the present amended terms and conditions subject to our own rules and general ratemaking proceedings.

II. ORDER

A. The Commission Orders That:

1. The joint motion of Qwest Corporation and AT&T Communications of the Mountain States, Inc. and TCG-Colorado to amend their Interconnection Agreement is granted.

2. This Order is effective upon its Mailed Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING
November 17, 2004.**
