**DECISION GRANTING APPROVAL OF THE PROPOSED
PURCHASED CAPACITY COST ADJUSTMENT**

Mailed Date: December 30, 2004
Adopted Date: December 28, 2004

I. BY THE COMMISSION

A. Statement

1. On November 5, 2004, the Commission received Public Service Company of Colorado's (Public Service) application requesting a revision of its Purchased Capacity Cost Adjustment (PCCA).

2. The revision is pursuant to PCCA Tariff Sheet Nos. 108 through 108C, as modified by Commission Decision No. C04-1321 in Docket No. 03A-436E.

3. Public Service submits its Application for a revised PCCA rider for the expressed purpose of recovering the purchased capacity costs that will be incurred during 2005.

4. The proposed PCCA rider revision is calculated by using the forecasted allowed purchased capacity costs for 2005, forecasted base revenues for 2005, a forecasted jurisdictional split between wholesale and retail customers for 2005, and a deferred component consisting of four months ending September 30, 2004.

5. When compared to the rider currently in effect, the proposed PCCA rider revision signifies a decrease from 2.2906 percent to 2.0273 percent. Public Service estimates the impact of additional revenue recovered through the PCCA mechanism to be \$31,013,989.
