IN THE MATTER OF QWEST CORPORATION'S COLORADO PERFORMANCE
ASSURANCE PLAN.

SETTING PREHEARING CONFERENCE**

Mailed Date: April 5, 2004

I. STATEMENT

1. By Decision No. C04-0269, March 16, 2004, the Commission ordered that a hearing be held on certain matters. These matters concern Qwest Corporation's (Qwest) Colorado Performance Assurance Plan (CPAP). Specifically, the hearing concerns two changes mandated by the Commission previously in Decision No. C04-0147 which resulted from the six-month review of Qwest's CPAP. The first change concerns proposed language to further revise and clarify Qwest's requirements for line splitting performance reporting and penalty assessment on the combined line sharing/line splitting product categories. The second issue concerns the proposed change to Performance Indicator Definition OP-4, installation interval, for line sharing from 3.3 days to 3.15 days. The Commission granted Qwest's request for a hearing under § 18.5 of the CPAP.

2. The matter has been assigned to the undersigned Administrative Law Judge. A prehearing conference will be held to set the parameters of the hearing at the time set forth

below. In addition to the matters set forth in Rule 79 of the Commission's Rules of Practice and Procedure, the parties should be prepared to discuss whether prefiled testimony is desirable.
