Mailed Date: June 24, 2004

I. STATEMENT

- 1. On April 19, 2004, Marketing Services Inc. of Pueblo, doing business as Adventures Out West, Inc. (Applicant), filed an Application for a Certificate of Public Convenience and Necessity to Operate as a Common Carrier by Motor Vehicle for Hire (Application). The Applicant seeks authority to operate as a common carrier of passengers and their baggage in sightseeing service in five counties in Colorado. The Application commenced this docket.
- 2. The Commission gave public notice of the Application. *See* Notice of Applications Filed dated May 3, 2004 (Notice) at 2. That Notice established a procedural schedule and a hearing date for this proceeding. The hearing is scheduled for July 7, 2004.

Decision No. R04-0706 DOCKET NO. 04A-196CP

3. RDSM Transportation, Ltd., doing business as Yellow Cab Company of Colorado Springs (RDSM or Intervenor), intervened of right. Based on a review of the Commission's record, this is the only intervention filed in this proceeding. Intervenor opposed the granting of the Application.

- 4. On June 2, 2004, Applicant and Intervenor filed a Stipulated Motion to Restrict Authority and Conditional Withdrawal of Intervention. By Decision No. R04-0596-I and for the reasons articulated in that Order, the undersigned Administrative Law Judge (ALJ) denied that motion.
- 5. On June 18, 2004, Applicant and Intervenor filed a Stipulated Motion to Restrict Authority and Conditional Withdrawal of Intervention (Stipulated Motion). In that filing Applicant agrees restrictively to amend the authority sought in the Application, and the parties jointly ask the Commission to grant the Stipulated Motion. The Stipulated Motion states that, concurrent with a Commission finding that the proposed restrictions are acceptable, Intervenor will withdraw its intervention. The Stipulated Motion is submitted by all parties in this proceeding and, therefore, is unopposed.¹
- 6. To be acceptable, restrictions must be restrictive in nature, clear and understandable, and administratively enforceable. Both the authority and any restriction on that authority must be unambiguous and must be wholly contained within the Certificate of Public Convenience and Necessity (CPCN). Both must be worded in such a way that a person will know, from reading the CPCN and without having to resort to any other document, the exact extent of the authority and of each restriction. Clarity is essential because the scope of an

authority granted by the Commission is found within the four corners of the CPCN, which is the touchstone against which the operation of a carrier is judged to determine whether the operation is within the scope of the Commission-granted authority. The proposed restrictions meet these standards. Therefore, the ALJ finds and concludes that the three proposed amendments are restrictive in nature, are clear and understandable, and are administratively enforceable.

- 7. The Stipulated Motion states good grounds, and granting the Stipulated Motion will not prejudice any party. The Stipulated Motion will be granted. The restrictions to the authority sought by Applicant will be accepted.
- 8. Granting the Stipulated Motion has two impacts. First, the authority sought (as stated in the Application) will be amended to conform with the three restrictive amendments. Second, the intervention of RDSM will be dismissed.
- 9. Dismissal of the intervention leaves the Application uncontested. The Application now may be processed under the modified procedure, pursuant to § 40-6-109(5), C.R.S., and Rule 4 *Code of Colorado Regulations* (CCR) 723-1-24, without a formal hearing.
 - 10. The hearing scheduled for July 7, 2004, will be vacated.
- 11. In accordance with § 40-6-109, C.R.S., the ALJ now transmits to the Commission the record in this proceeding along with a written recommended decision.

II. FINDINGS AND CONCLUSIONS

12. Applicant is a Colorado corporation.

13. Applicant asks that the Commission issue to it a CPCN to operate as a common carrier by motor vehicle for hire. By the Application, as restricted, Applicant seeks a Letter of Authority (*i.e.*, a CPCN) to provide:

- (2) Baggage shall not include suitcases.
- (3) Restricted against providing any transportation service that originates at or terminates at the Colorado Springs Municipal Airport, Colorado Springs, Colorado.
- 14. The verified Application establishes that Applicant is familiar with the Rules, Regulations, and Civil Penalties Governing Common Carriers of Passengers by Motor Vehicle for Hire, 4 CCR 723-31, and agrees to be bound by, and to comply with, those Rules. The verified Application and its supporting documentation also establish that Applicant has sufficient equipment with which to render the proposed service and is financially fit to conduct operations under the authority requested. Therefore, Applicant is fit, financially and otherwise, to provide the proposed service.
- 15. Review of the verified Application and its supporting documentation indicates a need for the proposed service.
- 16. In accordance with § 40-6-109, C.R.S., the ALJ recommends that the Commission enter the following order.
