**I. STATEMENT**

1. On May 17, 2004, MTV Group, LLC (Applicant), filed an Application for Extension of Authority under Certificate of Public Convenience and Necessity PUC No. 55728 for Transportation of Passengers and Their Baggage, Scheduled Service (Application). The Application commenced this docket.

2. The Commission gave public notice of the Application and established a procedural schedule. *See* Notice of Applications Filed dated June 1, 2004. Golden West Commuter, LLC (Golden West), intervened of right. Metro Taxi, Inc. (Metro), intervened of right. These are the only intervenors, and both opposed the granting of the Application.

3. Golden West filed a Motion to Vacate and Reschedule Hearing. By Decision No. R04-0793-I, the undersigned Administrative Law Judge (ALJ) granted that motion and scheduled a hearing in this matter for August 17, 2004.

4. On July 20, 2004, Applicant and Metro filed a Stipulated Motion for Imposition of Restrictive Amendment and Conditional Withdrawal of Intervention. On August 9, 2004, this was superseded by a second Stipulated Motion for Imposition of Restrictive Amendment and Conditional Withdrawal of Intervention filed by Applicant and Metro. In the second filing Applicant stated that it did not intend to seek overlapping or duplicative authority by virtue of the Application and that it “recognize[d] that Certificate [of Public Convenience and Necessity PUC No.] 55728 will be merged into the authority requested” in this proceeding. *Id.* at 2. In addition, Applicant moved to restrict the Application as follows: “Restricted to the use of vehicles with a seating capacity of between 15 and 32 passengers, including the driver.” Finally, Metro stated that the Commission may deem Metro’s intervention withdrawn if and when the Commission accepts the stipulation as filed.

5. On July 22, 2004, Applicant and Golden West filed a Stipulation of Parties, Motion to Restrictively Amend Application and to Withdraw Intervention. In that filing Applicant moved to restrict the Application by deleting the fourth requested extension of authority and renumbering the remaining authorities sought. Thus, Applicant restricts the Application by removing the following language: “beginning at the intersection of East Colfax Avenue and Broadway; then west on Colfax Avenue to the Colorado Mills Mall at 14500 West Colfax, Golden, Colorado; then returning over the same route to the point of beginning.” In addition, Golden West stated that, concurrent with a Commission finding that the proposed restrictions are acceptable, it will withdraw its intervention.

6. By Decision No. R04-0854-I the ALJ vacated the hearing date of August 17, 2004.

7. On August 16, 2004, Metro and MKBS, LLC, doing business as Metro Taxi (MKBS), filed a Joint Motion for Substitution of Intervenor and Intervenor's Counsel, Request for Shortened Response Time, and Request for Expedited Action (Joint Motion). The Joint Motion states that, as authorized by Decision No. C04-0751, Metro has transferred Certificate of Public Convenience and Necessity (CPCN) PUC No. 1481 to MKBS and that MKBS is now the owner and operator of that authority. The Joint Motion also requests substitution of counsel. The Joint Motion states good cause, and no party will be prejudiced if the Joint Motion is granted. The ALJ will grant the Joint Motion and will order the requested substitution of parties and counsel. As a result of the substitution of parties, MKBS stands in place of Metro in the August 9, 2004, Stipulated Motion for Imposition of Restrictive Amendment and Conditional Withdrawal of Intervention.

8. In view of the lack of prejudice to any party and the need to address the two pending Stipulated Motions for Imposition of Restrictive Amendment, the Joint Motion for Request for Shortened Response Time and Request for Expedited Action will be granted. The response time to the Joint Motion will be shortened to and including August 20, 2004.

9. To be acceptable, restrictions must be restrictive in nature, clear and understandable, and administratively enforceable. Both the authority and any restriction on that authority must be unambiguous and must be wholly contained within the CPCN. Both must be worded to permit a person to know, from reading the CPCN and without having to resort to any other document, the exact extent of the authority granted and of each restriction. Clarity is essential because the scope of an authority granted by the Commission is found within the four

corners of the CPCN, which is the touchstone against which the operation of a carrier is judged to determine whether the operation is within the scope of the Commission-granted authority. The proposed restrictions meet these standards. Therefore, the ALJ finds and concludes that the proposed amendments are restrictive in nature, are clear and understandable, and are administratively enforceable.

10. The Stipulated Motions state good grounds, and granting the Stipulated Motions will not prejudice any party. The Stipulated Motions will be granted. The restrictions to the authority sought by Applicant will be accepted.

11. Granting the Stipulated Motions has two impacts. First, the authority sought (as stated in the Notice and the Application) will be amended to conform with the restrictive amendments. Second, the two interventions will be dismissed.

12. Dismissal of the interventions leaves the Application uncontested. The Application now may be processed under the modified procedure, pursuant to § 40-6-109(5), C.R.S., and Rule 4 *Code of Colorado Regulations* (CCR) 723-1-24, without a formal hearing.

13. In accordance with § 40-6-109, C.R.S., the ALJ now transmits to the Commission the record in this proceeding along with a written recommended decision.

## **II. FINDINGS AND CONCLUSIONS**

14. Applicant is a limited liability company operating in the State of Colorado.

15. Applicant asks that the Commission extend CPCN PUC No. 55728 for transportation of passengers and their baggage in scheduled service. By the Application, as restricted, Applicant seeks an extended Letter of Authority as set out in Appendix A to this Decision. Applicant is clear that the extensions of authority sought in this proceeding will merge into CPCN PUC No. 55728.

16. The verified Application establishes that Applicant is familiar with the Rules, Regulations, and Civil Penalties Governing Common Carriers of Passengers by Motor Vehicle for Hire, 4 CCR 723-31, and agrees to be bound by, and to comply with, those Rules. The verified Application and its supporting documentation also establish that Applicant has sufficient equipment with which to render the proposed service and is financially fit to conduct operations under the authority requested. Therefore, Applicant is fit, financially and otherwise, to provide the proposed service.

17. Review of the verified Application and its supporting documentation indicates a need for the proposed service.

18. In accordance with § 40-6-109, C.R.S., the ALJ recommends that the Commission enter the following order.
