Subject: Request for Media Rebuttal at Hearing

Judge,

Ref: Docket 05A-376W

I would like to use a MS PowerPoint presentation to make my Rebuttal Testimony during the Hearing on this Docket scheduled for 15-16 Mar 2006. Is that possible? It would mean having a projector, laptop, and screen in the Hearing Room. I would provide hardcopy of the slides on the screen along with notes for each slide to all Hearing participants.

Thank you for considering this request.
