Docket No. 09F-323EG ✓

In response to your reply dated May 13, 2009 requesting a deposit or bond in the amount of \$500.00 with Public Service no later than noon on May 20, 2009 and keep current with charges incurred for future gas utility services provided by Public Service;

1. I am retired and get paid the 1st of every month or later if the 1st is on a weekend or a holiday. Based on the medical condition of my son two weeks for him with no heat or hot water is a serious health hazard.

2. I am asking at this time if it would be possible for me to pay the \$500.00 on the first of June, and can my gas be turned on before the first or would I have to wait until the first of June.

Thanking you in advance
