BASIS, PURPOSE, AND STATUTORY AUTHORITY

The basis for and purpose of these rules is to describe the manner of regulation over persons providing transportation services by motor vehicle in or through the state of Colorado. These rules address a wide variety of subject areas including, but not limited to, safety; civil penalties; the issuance, extension, transfer, and revocation of authority to operate as a motor carrier; insurance and permit requirements; tariff and time schedule requirements; the identification, condition, and leasing of motor vehicles; record keeping; and service standards. These rules cover an array of carriers, including common carriers, contract carriers, hazardous materials carriers, towing carriers, movers, and limited regulation carriers (charter buses, children's activity buses, luxury limousines, off-road scenic charters, and fire crew transport). In addition, these rules cover persons required to register under the Unified Carrier Registration Agreement, pursuant to 49 U.S.C. § 14504a, including motor carriers, motor private carries, freight forwarders, brokers, leasing companies, and other persons.

REGULATED INTRASTATE CARRIER RULES

Regulated Intrastate Carrier Rules.

6200. Applicability.

Rules 6200 through 6249 apply to all common carriers, all contract carriers, and to all Commission proceedings and operations concerning common carriers and contract carriers as well as applicants, employees, and drivers of such carriers.

6201. Definitions.

In addition to the definitions in rule 6001, the following definitions apply to all carriers and drivers subject to these regulated intrastate carrier rules:

- (a) "Auto livery" or "auto livery service" means the transportation of passengers by common carrier, including the transportation of passengers in scheduled and/or call-and-demand service. This term is only used in historical authorities.
- (b) "Capable," as used in § 40-10.1-204(1), C.R.S., means ready, willing, and able to provide services under the terms of the common carrier's authority. Capability may be evidenced by, among other things, ongoing transportation operations or good faith efforts to conduct such operations under such authority.
- (c) "Call-and-demand," "on call-and-demand," or "call-and-demand service" means the transportation of passengers by a common carrier not on schedule.
- (d) "Chartering party" means a person or group of persons who share a personal or professional relationship whereby all such persons are members of the same affiliated group, including, a family, business, religious group, social organization or professional organization. "Chartering party" does not include groups of unrelated persons brought together by a carrier, transportation broker, or other third party.
- (e) "Charter service" means transportation of a chartering party provided by a common carrier on a call-and-demand basis.
- (f) "Common carrier" means every person directly or indirectly affording a means of transportation, or any service or facility in connection therewith, within this state by motor vehicle or other vehicle whatever by indiscriminately accepting and carrying passengers for compensation; except that the term does not include a contract carrier as defined under § 40-10.1-101(6), C.R.S.; a motor carrier that provides transportation not subject to regulation pursuant to § 40-10.1-105, C.R.S.; or a limited regulation carrier defined under § 40-10.1-301, C.R.S.
- (g) "Contract carrier" means every person, other than a common carrier or a motor carrier of passengers under Part 3 of Article 10.1 of Title 40, C.R.S., who, by special contract, directly or indirectly affords a means of passenger transportation over any public highway of this state.

- (h) "Encumbrancer" means a person seeking or holding an encumbrance (e.g., lien or mortgage) against the authority of a common or contract carrier.
- (i) "Flag stop" means a point of service designated by a common carrier on its filed schedule, which point is located between two scheduled points on the scheduled route. Typically, the common carrier does not designate a specific time for service to the flag stop; if the common carrier does designate a specific time for service, the time is considered to be an approximation.
- (j) "Limousine service" means the transportation of passengers by a common carrier on a call-and-demand basis charged at a per-person rate, and the use of the motor vehicle is not exclusive to any individual or group. The term "limousine service" is distinguished from the term "luxury limousine service" as used in Article 10.1 of Title 40, C.R.S. This term is only used in historical authorities.
- (k) "Outstanding authority" means an existing authority, or any portion thereof, which is not under suspension.
- (l) "Scheduled service," "on schedule," or "schedule" means the transportation of passengers by a common carrier between fixed points and over designated routes at established times as specified in the common carrier's time schedule filed with and approved by the Commission.
- (m) "Shuttle service" means the transportation of passengers by a common carrier on a call-and-demand basis charged at a per-person rate and the use of the motor vehicle is not exclusive to any individual or group.
- (n) "Sightseeing service" means the transportation of passengers by a common carrier on a call-and-demand basis originating and terminating at the same point for the sole purpose of viewing or visiting places of natural, historic, or scenic interest.
- (o) "Special bus service," "special bus transportation," or "special bus", only used in historical authorities, means the transportation of passengers by common carrier:
 - (I) not including ordinary and continuous scheduled service;
 - (II) rendered generally on weekends, holidays, or other special occasions;
 - (III) with a fixed termination date; and
 - (IV) to a number of passengers whom the carrier on its own initiative has assembled into a travel group, through its own promotion and sale of individual tickets, for a trip or tour planned by the carrier.
- (p) "Tacking" means the joinder of two or more separate authorities or two or more separate parts thereof at a common service point for the purpose of providing a through service.
- (q) "Taxicab" means a motor vehicle with a seating capacity of eight or less, including the driver, operated in taxicab service.
- (r) "Taxicab service" means passenger transportation by a common carrier on a call-and-demand basis in a taxicab, with the first passenger therein having exclusive use of the taxicab unless such passenger agrees to multiple loading.

- (s) "Transfer" means, without limitation, any sale, lease, assignment, license, change in ownership, foreclosure of an encumbrance, execution in satisfaction of any judgment or claim, merger, consolidation, or similar transaction in which control of any authority or portion thereof changes from one entity to another, whether voluntarily, by court order, or otherwise.

Due to the presumed public need in § 40-10.1-203(2)(b)(II)(B), C.R.S., this demonstration is not required when the proposed service is taxicab service within and between the counties of Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, El Paso, and Jefferson. Any letter of support filed to demonstrate a public need:

- (I) The application shall contain all the information specified by paragraph (a) of this rule, modified as follows:
 - (A) any letters of support shall contain the following additional information: an explanation of the immediate and urgent need for the proposed service; whether there is any other transportation service available; if such service is available, a detailed description of the author's efforts to use it and whether it is capable of meeting the author's needs, and the extent to which available transportation services have refused to provide service;
 - (B) the statement of facts shall also establish an immediate and urgent need for the proposed service and that there is no such service capable of meeting the need;
 - (C) the statement in subparagraph (a)(XIX) is not required;

- (D) a statement shall be included indicating whether the Commission has previously granted to the applicant authority to render all or any part of the proposed service and the decision number granting the authority; and
 - (E) a statement shall be included of the period of time which applicant requests the temporary authority to cover, not to exceed 180 days.
- (II) The Commission shall not grant temporary authority to provide the same service, including both temporary authority and emergency temporary authority for a total period greater than 180 days.
- (c) Any person seeking emergency temporary authority to operate as a common or contract carrier, shall file an application with the Commission. The application shall contain all the information required by paragraph (b) of this rule, except that the period of time identified in subparagraph (b)(I)(E) shall not exceed 30 days. Without regard to the period of time in the application, the Commission shall not issue emergency temporary authority for a period greater than 30 days following the effective date of the Commission decision granting the authority.
- (d) The granting of emergency temporary authority creates no presumption that temporary or permanent authority will be granted. The granting of temporary authority creates no presumption that permanent authority will be granted.
- (e) Burden of proof for contract carrier applicants.
- (I) A contract carrier applicant shall bear the burden of proving that the service it proposes is superior, special, of a distinctive nature, or that the service will otherwise be specifically tailored to meet the potential customers' needs.
 - (II) Such a showing is overcome by an intervenor's showing that the intervenor is ready, willing, and able to meet the potential customers' needs.
 - (III) If the intervenor makes such a showing, the applicant shall bear the burden of proving that the applicant is better suited than the intervenor to meet the needs of the potential customer.
 - (IV) The intervenor may overcome such a demonstration by establishing that the applicant's proposed operation will impair the efficient public service of any common carrier then adequately serving the same geographic area.
 - (V) Nothing in this paragraph shall be construed to direct the sequence of evidence presented by the parties.

6204. Applications to Voluntarily Abandon or Suspend Authority.

- (a) A regulated intrastate carrier shall file an application to voluntarily abandon or suspend its authority, or any portion thereof. After ten days' notice, the Commission may either decide such an application without a hearing or set it for hearing. - (I) fully describe why the abandonment or suspension is sought;
 - (II) describe how the abandonment or suspension will affect the public;

- (III) contain a statement that the application contains only information that is true and correct to the best of the applicant's knowledge and belief; and

 - (III) two consecutive seasons, for a regulated intrastate carrier operating seasonally.
- (c) In addition to all other applicable requirements, any request for waiver or variance from this time period limitation must demonstrate that the suspension is in the public interest and that alternative service will be available during the period of suspension.

6205. Application to Encumber, Transfer, Merge, Consolidate, and Acquire Control.

- (a) No regulated intrastate carrier shall by any means, directly or indirectly, sell, lease, merge, consolidate, assign, license, encumber, or otherwise transfer any right or interest in any portion of said regulated intrastate carrier's authorities, except as specifically provided by Commission order, rule 6205, or Article 11.5 of Title 40, C.R.S.
- (b) Except with regard to foreclosures of encumbrances, executions in satisfaction of a judgment or claim, or transfers pursuant to a court order, only the owners of an authority as shown in the official records of the Commission may transfer the authority. No regulated intrastate carrier shall transfer any authority by means of foreclosure of an encumbrance or by means of an execution in satisfaction of any judgment or claim, except as approved by the Commission. Commission approval of an encumbrance is not authorization to transfer the subject authority.
- (c) An application to encumber any authority, transfer any authority, acquire control of any regulated intrastate carrier, or permit a merger or consolidation of a regulated intrastate carrier with any other entity, shall, if possible, take the form of a joint application submitted by all parties to the transaction.  - (III) If a transferee or encumbrancer is an executor, trustee, receiver, or other similar representative of the real party in interest: a copy of the court order evidencing the representative's appointment, or other evidence of authority if not under court order.
 - (IV) If the transaction covers only portions of an authority: a statement fully explaining which portions are covered by the transaction and which are not.

- (V) A complete description of the type of transaction for which the applicants seek Commission approval, together with a statement describing each applicant's role in the transaction.
- (VI) If the transaction involves an acquisition of stock: a statement of the transferor's total number of outstanding capital stock shares, by class; and the number of shares of each class to be acquired by transferee.
- (VII) A copy of all agreements concerning the transaction, including a copy of all documents creating a security interest, if any, and a statement of the consideration paid in the transaction.
- (VIII) A statement explaining how the transferee proposes to meet the financial requirements of the transaction, including, if a loan is involved, the amount, maturity, interest rate, and other terms and conditions.
- (IX) A statement setting forth the nature, extent, and proposed disposition of any existing encumbrances against the affected authorities.

 - (C) that the transfer is not contrary to the public interest;
 - (D) that the transfer will not result in the common control or ownership of duplicating or overlapping authorities; and

- (E) that the transferee will engage in bona fide regulated intrastate carrier operations and is fit to do so, except in transfers involving foreclosures of encumbrances, executions in satisfaction of a judgment or claim, or transfers pursuant to a court order.

In the case of an emergency temporary application, the application shall contain a statement explaining the nature and extent of the emergency.
- (e) Upon approval of a transfer application a transferee shall not begin operations until after the Commission has advised the transferee that it is in compliance with all requirements and is authorized to begin operations. CONSUMER ADVISEMENT

Intrastate movers in Colorado are regulated by the Colorado Public Utilities Commission (PUC). Each mover should have a PUC permit number. You are encouraged to contact the PUC to confirm that the mover you are using is indeed permitted in Colorado.

A mover that is not permitted may not withhold any of your property to enforce payment of money due under the contract ('carrier's lien').

A mover must include its PUC permit number, true name, and physical (street) address in all advertisements.

You should be aware that the total price of any household move can change, based on a number of factors that may include at least the following:

Additional services you request at the time of the move;

Additional items to be moved that were not included in the mover's original estimate;

Changes to the location or accessibility of building entrances, at either end of the move, that were not included in the mover's original estimate; and

Changes to the previously agreed date of pickup or delivery.

You should also be aware that, in case of a dispute between you and the mover, Colorado has an arbitration process available to resolve the dispute without going to court.

If you have any questions, you are encouraged to call the PUC at (303) 894-2070 for guidance on your rights and obligations.

I acknowledge that I have been given a copy of this consumer advisement to keep for my records.

Signed _____ (shipper). Date _____
