

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 13V-1403CP

IN THE MATTER OF MKBS, LLC DOING BUSINESS AS METRO TAXI &/OR TAXI FIESTA &/OR SOUTH SUBURBAN TAXI &/OR NORTHWEST SUBURBAN TAXI'S PETITION FOR WAIVER/VARIANCE OF COMMON/CONTRACT CARRIER RULES AND MOTION TO SHORTEN NOTICE PERIOD.

DECISION GRANTING WAIVER

Mailed Date: February 6, 2014
Adopted Date: January 29, 2014

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. This matter comes before the Commission for consideration of a Petition for a Waiver/Variance from Commission Rule 723-6-6255(a)(III)-(VII) filed on December 31, 2013 by MKBS, LLC, doing business as Metro Taxi &/or Taxi Fiesta &/or South Suburban Taxi &/or Northwest Suburban Taxi (Metro Taxi).

2. Metro Taxi requests a waiver of Rule 6255(a)(III)-(VII) of the Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* (CCR) 723-6 (Communications and Dispatch). The waiver is requested from January 1, 2014 through March 31, 2014.

3. Rule 6255 (a)(III)-(VII) applies to taxi cab companies operating within or between the Counties of Adams, Arapahoe, Boulder, Broomfield, Denver, Jefferson, and El Paso, and reads as follows:

(III) Beginning January 1, 2014, taxicab carriers shall employ a GPS-based, digital dispatch system that tracks and records driver hours or service, and

records and reports trip information including origination point and customer wait times.

- (IV) Beginning January 1, 2014, taxicab carriers shall employ a GPS-based, digital dispatch system that records and reports driver location and on-duty time. Said system must log a driver on-duty when the driver's assigned vehicle is within two miles of Denver International Airport or Colorado Springs Municipal Airport, and 500 feet of any known taxi stand.
- (V) Beginning January 1, 2014, taxicab carriers shall employ a GPS-based digital dispatch system that locks out any driver who has exceeded on-duty hours of service maximums.
- (VI) Beginning January 1, 2014, taxicab carriers shall lockout, for a minimum of eight hours, a driver who has exceeded on-duty hours of service maximums. Drivers who are locked-out, shall not be allowed access to the [carrier's] dispatch system, credit card processing system, and metering system.
- (VII) Beginning January 1, 2014, taxicab carriers shall log a driver as being on-duty when the vehicle assigned to said driver, enters an area no less [than] two miles of Denver International Airport or Colorado Springs Municipal Airport, or 500 feet of known taxi stands.

4. The Commission noticed this petition to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on January 13, 2014, for a period of ten days.

5. No petition to intervene or otherwise participate in this proceeding has been filed. This proceeding is therefore uncontested. Pursuant to § 40-6-109(5), C.R.S., this matter may be determined without a hearing.

6. In support of its Petition, Metro Taxi states that Metro Taxi currently has a system manufactured and supported by MTData which is close to achieving compliance with the rules. However, Metro Taxi is still having difficulty specifically implementing Rule 6255(a)(IV) and (VII), relating to a driver being logged on duty when in close proximity to an airport or known taxi stand. Metro Taxi states that its system may intermittently not comply with sections (III), (V), and (VI) while the system is being corrected and tested to comply with sections (IV) and (VII) and therefore requests a waiver of all provisions of Rule 6255(a)(III)-(VII).

7. Rule 1003(a) provides that:

[t]he Commission has promulgated these rules to ensure orderly and fair treatment of all persons. The Commission may, for good cause shown, grant waivers or variances from tariffs, Commission rules, and substantive requirements contained in Commission decisions. In making its determination the Commission may take into account, but is not limited to, considerations of hardship, equity, or more effective implementation of overall policy on an individual basis.

8. We find that good cause exists to grant Metro Taxi's petition for a waiver of Rule 6255(a)(III)-(VII).

II. ORDER

A. The Commission Orders That:

1. The Petition for Waiver/Variance from Commission Rule 723-6-6255(a)(III)-(VII) filed by MKBS LLC, doing business as Metro Taxi &/or Taxi Fiesta &/or South Suburban Taxi &/or Northwest Suburban Taxi is granted, *nunc pro tunc*, from January 1, 2014 through March 31, 2014.

2. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails this Decision.

3. This Decision is effective upon its Mailed Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING
January 29, 2014.**
