

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 14L-0254G

IN THE MATTER OF THE APPLICATION OF ATMOS ENERGY CORPORATION FOR APPROVAL TO REVISE ITS GAS COST ADJUSTMENT MECHANISM TO ALLOW FOR THE RECOVERY OF COSTS ASSOCIATED WITH FINANCIAL INSTRUMENTS USED TO HEDGE AGAINST GAS PRICE VOLATILITY.

**ERRATA NOTICE FOR
COMMISSION DECISION AUTHORIZING
REVISIONS TO GCA TARIFF**

Errata mailed April 3, 2014

Original Decision No. C14-0349 mailed April 2, 2014

1. Ordering paragraph 2 on page 4 of this Decision reads as:

The application filed by Atmos on March 24, 2014, for approval of its financial instrument hedging program for the Gas Purchase Year July 1, 2014 through June 30, 2015 and for authority to change its Gas Cost Adjustment Mechanism tariff on less-than-statutory notice is granted consistent with the above discussion.

That paragraph states that the application is for approval of Atmos' financial instrument hedging program for the Gas Purchase Year July 1, 2014 through June 30, 2015. That is incorrect.

The approval of Atmos' financial instrument hedging program is for Gas Purchase Years July 1, 2014 through June 30, 2018. Ordering paragraph no. 2 shall be amended to read as follows:

The application filed by Atmos on March 24, 2014, for approval of its financial instrument hedging program for the Gas Purchase Years July 1, 2014 through June 30, 2018 and for authority to change its Gas Cost Adjustment Mechanism tariff on less-than-statutory notice is granted consistent with the above discussion.
