

Decision No. C14-0480

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 14A-0418BP-EXTENSION-ETA

IN THE MATTER OF THE APPLICATION OF WESTERN PARKING MANAGEMENT LLC
FOR EMERGENCY TEMPORARY AUTHORITY TO EXTEND OPERATIONS AS A
CONTRACT CARRIER UNDER PERMIT NO. B-09967.

**COMMISSION DECISION GRANTING
EMERGENCY TEMPORARY AUTHORITY**

Mailed Date: May 7, 2014

Adopted Date: May 7, 2014

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On May 6, 2014, Western Parking Management LLC (Applicant), filed an application for emergency temporary authority to extend operations as a contract carrier by motor vehicle for hire under Contract Carrier Permit No. B-09967.

2. Applicant specifically requests emergency temporary approval to extend its permit for 30 days to operate as a contract carrier for the following hotels, in service between those hotels and Denver International Airport: The Baymont Inn & Suites, Comfort Suites, Econo Lodge, Quality Inn & Suites, TownePlace Suites by Marriot, and the La Quinta Inn. This authority is described more fully in the Appendix to this Decision.

3. Pursuant to § 40-10.1-204(1), C.R.S., the Commission is authorized to grant temporary authority when “there appears to be an immediate and urgent need to any point or within a territory having no such service capable of meeting the need.” Section 40-10.1-204(4), C.R.S., further states: “If the Commission determines that an emergency exists, it may issue

temporary authority or approval at once by making specific reference in its order to the circumstances constituting the emergency, in which case no notice need be given, but any such emergency authority or approval expires no later than thirty days after it was issued.”

4. Applicant must meet a two-fold test: first, that there is an emergency need for the transportation services, and second, that there is no existing carrier capable of meeting the need. If Applicant fails to meet either test, the application must be denied.

5. In support of the application, Applicant explains that this service was, until recently, provided by Global Transportation. Global Transportation went out of business, and Applicant has taken over the operations of Global Transportation and is therefore the only provider that can continue to provide this service for hotel guests. The letters supporting the application from the hotels state that the service is crucial to the hotels’ business, and is crucial to the experience of the hotels’ guests. The letters further explain that any interruptions in this service would negatively impact the daily operations of the hotels.

6. The Commission finds and concludes that the information submitted with this application shows that an emergency need for the requested transportation service exists, and that no other carrier has been shown to be capable of providing the service.

7. Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought.

8. This application for emergency temporary authority to extend operations is in the public interest.

9. Applicant is advised that the grant of an emergency temporary authority to extend operations creates no presumption that either a temporary or permanent authority will be granted.

II. ORDER

A. The Commission Orders That:

1. Western Parking Management LLC is granted an emergency temporary authority to extend operations for a period of 30 days commencing on the mailing date of this Decision, with the extension of authority as set forth in the Appendix attached to this Decision.

2. Western Parking Management LLC shall operate in accordance with all applicable Commission rules and regulations.

3. Western Parking Management LLC shall not commence operation under this emergency temporary extension of authority until it has:

The advice letter and tariff shall initiate a new Advice Letter proceeding and shall comply with all applicable rules (*see* <http://www.dora.state.co.us/puc/trans/TransFilingTariff.htm>). In calculating the proposed effective date, the date received at the Commission is not included in the notice period and the entire notice period must expire prior to the effective date;
- (d) paid the applicable issuance fee (\$5); and,
- (e) received notice in writing from the Commission that it is in compliance with the above requirements and may begin service under the extended authority.

4. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.

5. This Decision is effective on its Mailed Date.
