

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 14A-0333T

IN THE MATTER OF A JOINT APPLICATION FILED BY TIME WARNER CABLE
INFORMATION SERVICES, LLC AND COMCAST CORPORATION REQUESTING
APPROVAL OF MERGER TRANSACTION.

**INTERIM DECISION SHORTENING
RESPONSE TIME TO MOTION**

Mailed Date: May 21, 2014
Adopted Date: May 21, 2014

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On May 14, 2014, DISH Network, L.L.C. (DISH), filed its Motion to Modify the Procedural Schedule (Motion) in the Application of Time Warner Cable Information Services, L.L.C. and Comcast Corporation Requesting Approval of a Merger Transaction (Application). Within its Motion, DISH claims it has standing to intervene because it has a justiciable interest that may be adversely impacted by the outcome of the proceeding. DISH further notes the Commission has not deemed the application complete pursuant to § 40-6-109.5, C.R.S., as of the date of its filing and argues that consideration of additional complexities due to transactions conducted after the Application was filed warrant that the Application is “outdated and incomplete.”

2. Rule 1400 of the Commission Rules of Practice and Procedure, 4 *Code of Colorado Regulations* 723-1, provides for a 14-day response time to motions. However, the Commission may, pursuant to Rule 1003, waive its rules upon the Commission’s own motion.

3. To enable the Commission to make a determination timely on the completeness of the Application for purposes of § 40-6-109.5, C.R.S., and pursuant to Commission rule and order, we find good cause to shorten response time to the Motion. Therefore, response time to the Motion is shortened to Friday, May 23, 2014.

II. ORDER

A. It Is Ordered That:

1. Upon the Commission’s own motion, response time to the motion filed May 14, 2014, by DISH Network L.L.C., is shortened.

2. Responses to the motion shall be filed no later than May 23, 2014.

3. This Decision is effective upon its Mailed Date.

**B. ADOPTED IN COMMISSIONERS’ WEEKLY MEETING
May 21, 2014.**
