Mailed Date: August 15, 2014  
Adopted Date: August 6, 2014

**I. BY THE COMMISSION**

**A. Statement, Findings, and Conclusions**

1. On June 27, 2014, SIS None Medical Transportation (Applicant), filed an application for permanent authority to conduct operations as a contract carrier by motor vehicle for hire.

2. Applicant requests authority to transport passengers between all points in Adams, Arapahoe, Denver, Douglas, and Jefferson Counties. The application is restricted to providing non-medical transportation services for the Colorado Department of Health Care Policy and Financing.

3. The Commission noticed this application to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on June 30, 2014.

4. No petition to intervene or otherwise participate in this proceeding has been filed. This proceeding is uncontested. Under § 40-6-109(5), C.R.S., this matter may be determined without a hearing.

5. We find that the information submitted with this application warrants the granting of the requested contract carrier permit. Applicant is a limited liability corporation in good standing with the Secretary of State. The application includes the requisite customer support letter from the Colorado Department of Health Care Policy and Financing. The application also includes a sufficient statement of fact and fitness.

6. We conclude that a present and special need for the requested transportation service exists. A grant of the requested authority will not impair the efficient public service of any authorized common carrier adequately serving the same territory over the same general route or routes.

7. Further, on July 16, 2014, Applicant filed a Motion to amend the caption of this proceeding, to reflect the fact that Applicant's name had been changed to SIS Non-Medical Transportation, LLC. The Motion contained a Statement of Correction and a Certificate of Good Standing from the Colorado Secretary of State. The Motion will be granted and the caption of this proceeding accordingly amended, including in this Decision.

For good cause shown, the Commission may grant additional time for compliance if the request for additional time is filed within 60 days of the effective date of this Decision.

6. The Commission will notify SIS Non-Medical Transportation, LLC in writing when the Commission's records demonstrate compliance with Ordering Paragraph No. 4.
