**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO**

PROCEEDING NO. 14AL-0966T

---

IN THE MATTER OF ADVICE LETTER NO. 1 FILED BY DSCI, LLC IN COMPLIANCE WITH DECISION NO. C14-0867 TO FILE ITS INITIAL LOCAL EXCHANGE SERVICES TARIFF TO BECOME EFFECTIVE OCTOBER 30, 2014.

---

**DECISION REJECTING TARIFF SHEETS**

---

Mailed Date: October 29, 2014

Adopted Date: October 29, 2014

**I. BY THE COMMISSION**

**A. Statement**

1. On September 25, 2014, DSCI, LLC (DSCI), filed Advice Letter No. 1 and a proposed tariff. DSCI states that the purpose of the filing is to introduce its initial tariff. Absent Commission action, the effective date for the proposed tariff filed with Advice Letter No. 1 is October 30, 2014.

**B. Findings of Fact**

2. Pursuant to Ordering paragraph 5 of Decision No. C14-0867, mailed on July 25, 2014, in Proceeding No. 14A-0658T, DSCI is required to file an Advice Letter and accompanying tariff to become effective within one year of the mailed date of that decision. The proposed tariff was to contain all of the information required under Rule 2122 of the Commission's Rules Regulating Telecommunications Providers, Services, and Products, 4 *Code of Colorado Regulations* 723-2.

3. The original filing made by DSCI on September 25, 2014, does not comply with the Commission's Rules and Decision cited in paragraph 2 above. The filing did not include the

required description of DSCI's local calling areas, exchange maps or an incorporation by reference of local exchange maps, or the surcharge information required by the Colorado High Cost Support Mechanism (CHCSM) and the Telecommunications Relay Services (TRS) programs.. The proposed tariff also included language and rates for access service, a service that DSCI was not granted authority to provide in Decision No. C14-0867.

4. Staff of the Commission (Staff) contacted a representative of the company and advised her of the requirement to modify and amend the proposed tariff to be consistent with Commission rules. Staff mentioned with specificity the requirements to provide local calling area descriptions, exchange maps or incorporation of these by reference, and CHCSM and TRS material. Staff also requested the removal of access service language and related rates.

5. The Commission's public notice period for Advice Letter No. 1 expired on October 27, 2014, and no additional amendment to DSCI's proposed tariff has been received by the Commission.

6. Now, being fully advised in the matter, we will reject Advice Letter No. 1 and its proposed tariff filed by DSCI without prejudice, thus allowing DSCI to refile a tariff in compliance with Commission rules.

## **II. ORDER**

### **A. The Commission Orders That:**

1. Advice Letter No. 1, and accompanying tariff sheets filed by DSCI, LLC. on September 25, 2014 are rejected without prejudice.

2. The 20-day period provided by § 40-6-114, C.R.S., within which to file applications for rehearing, reargument, or reconsideration begins on the first day following the effective date of this Decision.

3. This Decision is effective upon its Mailed Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING
