**RECOMMENDED DECISION OF
ADMINISTRATIVE LAW JUDGE
ROBERT I. GARVEY
APPROVING SETTLEMENT AGREEMENT;
MODIFYING TERMS OF CPAN; IMPOSING
CIVIL PENALTY ASSESSMENT; AND
WAIVING RESPONSE TIME TO MOTION**

Mailed Date: March 6, 2014

I. STATEMENT

1. This proceeding concerns Civil Penalty Assessment Notice (CPAN) No. 107858 issued by Staff of the Public Utilities Commission (Staff) on October 20, 2013 against Spring Cab LLC, doing business as Spring Cab (Respondent). The CPAN alleges one violation of *Rule 6007(a)(I), of the Rules Regulating Transportation by Motor Vehicle, 4 Code of Colorado Regulations (CCR) 723-6*, one violation of *Rule 6007(f)(I)(A), 4 CCR 723-6*, and 16 violations of § 40-10.1-201(1), C.R.S. The total amount of the CPAN for these violations is \$31,762.50, including an additional 10 percent surcharge. If the CPAN was paid within ten days, the total amount due would have been reduced to \$15,881.25

2. On November 21, 2013, counsel for Staff filed his entry of appearance in the above captioned proceeding.

3. On November 26, 2013, the Commission referred the matter to an administrative law judge (ALJ) to decide the merits of the CPAN.

4. By Interim Decision No. R13-1599-I, issued December 27, 2013, an evidentiary hearing was scheduled for February 25, 2014.

5. On February 24, 2014, the Parties informally notified the undersigned ALJ that a settlement had been reached and requested the hearing be vacated.

6. On February 25, 2014, the parties filed their Stipulation and Settlement Agreement and Joint Motion to Approve Stipulation and Settlement Agreement and to Waive Response Time.

7. On February 27, 2014, the parties filed their Amended Stipulation and Settlement Agreement and Joint Motion to Approve Amended Stipulation and Settlement Agreement (Settlement Agreement) and to Waive Response Time.

8. According to the terms of the Settlement Agreement, Staff and Respondent agree to the following:

1. Respondent admits liability to all the violations in the CPAN.
2. Respondent agrees to comply with all Colorado and federal statutes and rules concerning common carriers and motor carriers, including but not limited to rules concerning the operation as a transportation carrier without motor vehicle liability insurance, filing a certificate of financial responsibility with the PUC, and operating or offering to operate as a common carrier without authority..
3. Staff agrees to reduce the amount of the civil penalty from \$31,762.50 to \$10,000.00

9. The \$10,000.00 settlement amount includes a 10 percent surcharge pursuant to § 24-34-108, C.R.S.

10. Respondent agrees to pay the reduced penalty of \$10,000.00 within ten days after the Settlement Agreement becomes final.

11. Respondent agrees that during any investigation conducted by Staff, within 12 months of the date of a final Commission decision in this Proceeding, the Commission finds any violations of the same rules or statutes, or rules or statutes of a similar nature as the violations the Respondent has admitted liability to in this proceeding, Respondent shall be liable for the full civil penalty, less payments made.

12. For purposes of this Agreement, a final Commission decision shall mean the date when the Recommended Decision of the ALJ approving or modifying this Agreement becomes a decision of the Commission.

13. Respondent agrees that the failure to timely pay the settlement amount as provided herein will result in Respondent being liable for the full civil penalty less payments made without any further hearing or administrative or adjudicatory process.

14. Respondent agrees and stipulates that the failure to complete its payment obligations as set forth in the Settlement Agreement shall also be deemed a waiver by Respondent of any and all rights to file exceptions and/or a request for rehearing, reargument, and reconsideration or any other form of appeal.

15. The parties additionally agree that the Settlement Agreement has been reached to avoid the costly expense of litigation and that the Settlement Agreement promotes administrative efficiency by avoiding the time and expense that would be required to hear this matter.

16. Finally the parties considered the following mitigating factors:
 - i. The Respondent acknowledged wrongdoing;
 - ii. The Respondent admits the maximum level of culpability for all violations in the CPAN;
 - iii. The Respondent actively and timely contacted Staff to resolve the issue;
 - iv. The Respondent has subsequently corrected all violations in the CPAN;
 - v. The Respondent has obtained and filed with the PUC the appropriate certificate of financial responsibility;
 - vi. The Respondent understands that it is required to file motor vehicle liability insurance with the PUC;
 - vii. Assessing the full CPAN amount would cause financial hardship on the Respondent
 - viii. Assessing the Respondent a civil penalty of \$10,000 under the terms herein is sufficient motivation for Respondent to remain in compliance with the Public Utilities laws and Commission Rules on a going-forward basis.

II. FINDINGS AND CONCLUSIONS

17. The undersigned ALJ finds good cause to grant the Motion to approve the Amended Stipulation and Settlement Agreement. It is found that the civil penalty of \$10,000.00 is sufficient to motivate the Respondent to avoid any further violations of Commission regulations.

18. The ALJ finds it is in the public interest to conserve valuable resources by adopting the terms of the Amended Stipulation and Settlement Agreement and avoiding a hearing in this matter.

19. Therefore pursuant to the terms of the Amended Stipulation and Settlement Agreement entered into between Respondent and Staff, Respondent is assessed a civil penalty of \$10,000.00 payable according to the terms of the Amended Stipulation and Settlement

Agreement as delineated above. Failure to abide by the agreement will result in reinstatement of the full civil penalty amount of \$31,762.50 less any amounts already paid, due immediately.

20. Response time to the Joint Motion to Approve Amended Stipulation and Settlement Agreement shall be waived.

21. Approval of the settlement will not have a precedential affect upon other Commission matters. *See Colorado Ute Elec. Ass'n, Inc. v. PUC*, 602 P.2d 861, 865 (Colo. 1979); *B & M Serv., Inc. v. PUC*, 429 P.2d 293, 296 (Colo. 1967).

If no transcript or stipulation is filed, the Commission is bound by the facts set out by the administrative law judge; and the parties cannot challenge these facts. This will limit what the Commission can review if exceptions are filed.
