Mailed Date: December 29, 2014

**I. STATEMENT**

1. On October 2, 2014, the City of Aurora (Aurora) filed an application to increase the emergency telephone surcharge from \$0.70 to \$1.20 per subscriber line per month (Application) pursuant to § 29-11-102(2)(B), C.R.S.

2. The Commission deemed the Application complete and referred this matter to an Administrative Law Judge (ALJ) for disposition on November 20, 2014.

3. On October 24, 2014, trial Staff of the Public Utilities Commission filed an intervention.

4. By Decision No. R14-1416-I, the ALJ scheduled a hearing on the merits of the Application, and established a procedural schedule.

5. On December 19, 2014, Aurora filed a “Stipulated Motion to Vacate Hearing and Procedural Schedule, and for Filing of Amended Application” (Stipulation). The Stipulation is executed by all parties. The Stipulation states that the parties agree that an amended application

would be helpful and would make the potential for a stipulated resolution more likely. The parties request that Aurora be permitted to file an amended application.

6. The Stipulation additionally requests that the hearing and the procedural schedule be vacated, and that by January 30, 2015, the parties will propose a new hearing date and procedural schedule.

7. The Stipulation states that Aurora waives the 210-day statutory deadline for a Commission decision to issue under § 40-6-109.5, C.R.S.

8. As the Stipulation is agreed-upon by all parties to this proceeding, the ALJ will *sua sponte* waive the response time to it. Rule 1400(b) of the Rules of Practice and Procedure found at 4 *Code of Colorado Regulations* 723-1.

9. The ALJ finds that the parties have shown good cause to vacate the hearing and procedural schedule, and for Aurora to be permitted to file an amended application. The ALJ will grant the relief sought by the Stipulation. The ALJ will also order the parties to file an agreed-upon proposed hearing date and procedural schedule.
