

Decision No. C20-0750

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 20L-0430G

IN THE MATTER OF THE VERIFIED APPLICATION OF DURANGO MOUNTAIN UTILITIES, LLC FOR AN ORDER AUTHORIZING CERTAIN GAS COST ADJUSTMENTS TO ITS RATES ON LESS THAN STATUTORY NOTICE AND FOR CERTAIN WAIVERS.

**COMMISSION DECISION AUTHORIZING
AN UPWARD REVISION OF GAS RATES
ON LESS-THAN-STATUTORY NOTICE**

Mailed Date: October 28, 2020

Adopted Date: October 28, 2020

I. BY THE COMMISSION

A. Statements

1. On October 16, 2020, Durango Mountain Utilities, LLC (DMU, Company, or Applicant) filed a Verified Application. DMU seeks a Commission decision authorizing it, without a formal hearing and on less-than-statutory notice, to place into effect on November 1, 2020, tariffs resulting in an increase to its existing propane gas rate on file with the Commission; and that the Commission grant certain waivers from the *Rules Regulating Gas Utilities and Pipeline Operators*, 4 *Code of Colorado Regulations* (CCR) 723-4. The Application contains all of the materials required by the applicable Commission Rules and therefore is deemed complete.

2. The proposed tariff is attached to the Application and affects the Applicant's customers in its service area.

3. DMU acknowledges that it has read and agrees to abide by the provisions of Rules 4002(b)(IV) through (VI) and Rules 4002(b)(XI)(A) through (C), 4 CCR 723-4.

4. This Application for authority to add a new tariff or change an existing tariff is made pursuant to § 40-3-104, C.R.S., and Rule 4109(b)(II).

B. Findings of Fact

5. The Applicant is an operating public utility subject to the jurisdiction of this Commission and is engaged in, *inter alia*, the purchase, distribution, and sale of propane gas for domestic, mechanical, or public uses in its rate area in the State of Colorado.

6. Commission Decision No. C14-0439 issued April 29, 2014 in Proceeding No. 14AL-0127G requires that DMU request a revision to its Gas Cost Adjustment (GCA) rates to be effective on November 1 of each year. The instant filing is intended to comply with this requirement.

7. The purpose of the upward revision of Applicant's gas rates is: (1) to effectuate an increase in the level of propane gas costs charged to the Applicant based on prices to be in effect November 1, 2020 through October 31, 2021, and applied to normalized forecasted purchase and sales volumes during the same test period; and (2) to adjust for previous under- / over-recovered gas cost balances as of August 31, 2020.

8. The proposed tariffs, attached to this Decision as Appendix A, will increase total annual revenues by \$61,160.

9. Pursuant to Rule 1003, *Rules of Practice and Procedure*, 4 CCR 723-1, in the Application DMU requests waivers from: (1) Rules 4604(f) and (g) concerning the presentation of GCA Exhibit Nos. 5 and 6, respectively; Rule 4604(d); Rule 4604(l); and (2) Rules 4604(h)(IV) and 4002(d) concerning certain notice requirements.

10. Rule 4604(f) and (g) of the Commission Rules require the utility to provide forecasted gas transportation demand and current gas cost allocations. Since the Company does

not provide gas transportation, and has only one rate class, the requested waiver is reasonable and in the public interest.

11. Rule 4604(d) requires the utility to provide month-by-month information detailing the activity in Account No. 191, including adding interest on under- or over-recovery. The Company's revenues and deferred amounts are small the thus the interest calculation is *de minimis*.

12. Rule 4604(l) requires the presentation of net operating income for the period ending June 30. The Company requests a partial waiver of this rule in order to file net operating income at the end of its fiscal year, April 30.

13. Rules 4604(h)(IV) and 4002(d) of the Commission's Rules concern notice requirements. The Company states that their customers have primary residences outside of the Durango area and thus publication of the notice is not required as the notice will be mailed to each of their customers.

14. The Commission finds good cause to allow the proposed overall increase on less-than-statutory notice and shall grant the requested waivers.

II. ORDER

A. The Commission Orders That:

1. The Verified Application filed by Durango Mountain Utilities, LLC (DMU) on October 16, 2020 is deemed complete.

2. The Application filed by DMU for authority to change tariffs on less-than-statutory notice is granted.

3. The request by DMU for a waiver of Rules 4002(d); Rule 4604(f), (g), and (h)(IV); Rule 4604(d); and Rule 4604(l) of 4 *Code of Colorado Regulations* 723-4, is granted.

4. DMU is authorized to file, on not less than two days' notice, the tariff attached as Appendix A and made a part of this Decision. The tariff shall be effective for actual gas sales on or after their effective date of November 1, 2020.

5. The 20-day time period provided by § 40-6-114, C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the effective date of this Decision.

6. This Decision is effective on its Mailed Date.
