BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 21A-0055T

IN THE MATTER OF THE APPLICATION OF JCI US INC. FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY (CPCN) TO PROVIDE PART IV SERVICES (4 CCR 723-2-2103).

**COMMISSION DECISION GRANTING
APPLICATION WITH CONDITIONS**

Mailed Date: March 5, 2021

Adopted Date: March 3, 2021

I. BY THE COMMISSION

A. Statement

1. By this Decision, we grant, with conditions set forth below, the application of JCI US Inc. for a Certificate of Public Convenience and Necessity (CPCN) to provide Part IV services in Colorado, as discussed below.

B. Background

2. On January 22, 2021, JCI US Inc filed an Application for a CPCN to provide Part IV services. JCI US Inc. seeks to provide local exchange and interexchange voice services in Colorado.

3. On January 22, 2021 notice of the Application was provided to all persons, firms or corporations, interested in or affected by the grant or denial of the request. Interventions were due on or before February 25, 2021. No interventions were received in this proceeding.

4. On February 2, 2021, JCI US Inc. filed an Explanation of Articles of Incorporation and name change of CSCT Inc. to JCI US Inc. The company was originally incorporated on April 3, 2006, it was named Communications Security and Compliance Technologies, Inc. Company has

changed its name twice since then. On April 4, 2019, the company filed a Certificate of Amendment of Incorporation in Delaware changing the name of the company to JCI US Inc.

5. On February 23, 2021, JCI US Inc. filed a statement of willingness to provide financial assurance pursuant to a Commission Staff calculation JCI US Inc. agrees to provide the Commission financial assurance in the form of a bond or a letter of credit in the amount of \$79,915 as a condition of obtaining its CPCN.

C. Discussion

6. No one has filed an intervention opposing the Application. We, therefore, find that the Application is unopposed and consider it without a formal hearing pursuant to § 406-109(5), C.R.S.

7. The Commission modified its Rules Regulating Telecommunications Services and Providers of Telecommunications Services, 4 *Code of Colorado Regulations* (CCR) 723-2 (Proceeding No. 16R-0453T, with an effective date of September 1, 2017). The modified rules allow providers offering Part IV services under § 40-15-401, C.R.S., to apply to the Commission to obtain a CPCN. No CPCN is required for services classified in Part IV of Article 15 of Title 40 of the Colorado Revised Statutes. Pursuant to § 40-15-503.5, C.R.S., and Commission Rule 2111, 4 CCR 723-2, the Commission may require an applicant requesting an operating authority to post a bond or provide other security as a condition of obtaining a Commission operating authority.

8. Due to the financial information provided by JCI US Inc., we conclude that financial assurance for the issuance of a CPCN is necessary and appropriate in the form of either a bond or a letter of credit and shall be required to be posted with the Commission under the terms and conditions specified in the Attachments to this Decision. The issuance of a bond or letter of credit is consistent with previously issued Commission decisions granting CPCNs when financial

fitness is an issue. Section 40-15-503.5, C.R.S., and Commission Rule 2111 allow the Commission to impose a bond or other security as a condition of obtaining an operating authority.

9. With the issuance of this authority, JCI US Inc. must: (1) file a bond or letter of credit consistent with the terms and conditions in the Attachments to this Decision; and (2) comply with all applicable statutory and regulatory requirements pursuant to Rule 2103(a)(XVI), 4 CCR 723-2.

II. ORDER

A. The Commission Orders That:

1. JCI US Inc. is granted a Certificate of Public Convenience and Necessity (CPCN) to provide Part IV services on a statewide basis with the conditions included herein.

2. JCI US Inc. is not required to create and provide tariffs to the Commission.

3. JCI US Inc. shall not unjustly discriminate among customers in the same class of service, per Commission Rule 4 *Code of Colorado Regulations* (CCR) 723-2-2103.

4. Before commencing operations under this CPCN to provide Part IV services, JCI US Inc. shall file with the Commission, financial assurance in the form of a bond or letter of credit consistent with the terms and conditions as described in the Attachments to this Decision.

5. If JCI US Inc. fails to file financial assurance within one year from the Mailed Date of this Decision, this CPCN to provide Part IV services shall be deemed null and void without further action of the Commission. For good cause shown, and if a proper request is filed within one year of the Mailed Date of this Decision, the Commission may grant additional time within which to file financial assurance.

6. Consistent with terms and conditions established in previous Commission decisions, JCI US Inc. will be required to contribute, as prescribed by statute, rule, or order of the

Commission, based on the entirety of its intrastate services regardless of the technology, to the Public Utilities Commission’s Telecommunications Utilities Fund, the Colorado High Cost Support Mechanism, the Colorado Telephone Users Disabilities Fund, the Statewide 9-1-1 Surcharge Trust Cash Fund, and other financial support mechanisms that may be created in the future by the Commission to implement §§ 40-15-502(4) and (5), C.R.S.

7. The 20-day period provided for in § 40-6-114, C.R.S., within which to file applications for rehearing, reargument, or reconsideration begins on the first day following the effective date of this Decision.

8. This Decision is effective on its Mailed Date.
