OF ANNUAL CUSTOMER EDUCATION**

Mailed Date: April 21, 2021

Adopted Date: April 14, 2021

I. BY THE COMMISSION

A. Statement and Findings of Fact

1. Pursuant to 4 *Code of Colorado Regulations* 723-2-2845(e), Rules Regulating Telecommunications Services and Providers of Telecommunications Services, each telecommunications service provider collecting the Colorado High Cost Support Mechanism (CHCSM) rate element (also known as the “Colorado Universal Service Charge”) is to provide its customers certain education material as ordered by the Commission. The inclusion of the customer education material shall commence with the first billing cycle of the third quarter of 2021. Each provider shall make the CHCSM customer education material ordered by the Commission available to each of its customers by a message directly printed on the bill, by bill insert, by separate first class mail, or text message,¹ or any combination of these alternatives. The language for the customer notification message for the first billing cycle of the third quarter of 2021 is attached as Attachment A to this Decision.

¹ If a text message is utilized, there should be no customer charge or impact to any customer allotment of free text messages.

2. The effective date of this Decision will allow telecommunications providers sufficient time to implement the continuing customer CHCSM education material within the first billing cycle of the third quarter of 2021.
