1. The Statement paragraph 1 currently reads as follows:

This Decision sets for hearing the tariff sheets filed under Advice Letter Nos. 1902-Electric and 1906-Electric and suspends their effective date to May 1, 2023.

There is a typographical error, and the date of April 30, 2023 is not listed in this paragraph.

The Statement paragraph 1 should read as follows:

This Decision sets for hearing the tariff sheets filed under Advice Letter Nos. 1902-Electric and 1906-Electric and suspends their effective dates to May 1, 2023 and April 30, 2023, respectively.

2. The Ordering paragraph 2 currently reads as follows:

The proposed January 1, 2023 effective date of the tariff sheets filed with Advice Letter No. 1906-Electric filed by Public Service on November 30, 2022, is suspended until May 1, 2023, or until further order of the Commission.

The proposed date of January 1, 2023 is incorrect, and the suspended date of May 1, 2023 is incorrect. The proposed date should be December 31, 2022 and the suspended date should be April 30, 2023.

The ordering paragraph 2 should read as follows:

The proposed December 31, 2022 effective date of the tariff sheets filed with Advice Letter No. 1906-Electric filed by Public Service on November 30, 2022, is suspended until April 30, 2023, or until further order of the Commission.
