The Commission has emphasized that this requirement is mandatory and has found that if a party does not meet the criteria of this

rule a non-attorney may not represent a party in such a proceeding. *See, e.g.*, Decisions No. C05-1018, Proceeding No. 04A-524W issued August 30, 2005; No. C04-1119, Proceeding No. 04G-101CP issued September 28, 2004; and No. C04-0884, Proceeding No 04G-101CP issued August 2, 2004.

#### **IV. REMOTE PREHEARING CONFERENCE**

13. Given the procedural posture of the case, it is appropriate to hold a prehearing conference to address several issues. The parties to this proceeding should be prepared to discuss all procedural and substantive issues, including, but not limited to, deadlines for witness lists, exhibits, and a date(s) for a hearing on the Application.

14. Participants will appear at the prehearing conference from remote locations by videoconference and may not appear in person for the prehearing conference. The remote prehearing conference will be held using the web-hosted service, Zoom. Attachment A hereto includes important technical information and requirements to facilitate holding the prehearing conference remotely. All those participating in the hearing must carefully review and follow all requirements in this Decision and Attachment A.

15. To minimize the potential that the videoconference hearing may be disrupted by non-participants, the link and meeting ID or access code to attend the hearing will be provided to the participants by email before the hearing, and the participants will be prohibited from distributing that information to anyone not participating in the hearing. Parties will receive an email with information needed to join the hearing at the email addresses on file with the Commission for this Proceeding. As such, it is important that all parties ensure that the Commission has the correct email address for them.

16. Parties are on notice that failure to appear at the prehearing conference may result in dismissing the Application without prejudice or dismissing an intervention. The ALJ will deem any party's failure to appear at the prehearing conference to be a waiver of any objection to the rulings made during the prehearing conference.

17. A prehearing conference in this matter will be scheduled as ordered.
