EASE,

RESPONDENT.

**INTERIM DECISION
SCHEDULING REMOTE HEARING AND ESTABLISHING
PROCEDURES**

Issued Date: February 12, 2025

I. STATEMENT, PROCEDURAL BACKGROUND

1. This proceeding concerns Civil Penalty Assessment (“CPAN”) No. 141772 issued by Commission Trial Staff (“Staff”) on January 2, 2025, to Respondent Rafael Benjamin Rojas, doing business as Huffly Puffy Moving With Ease (“Huffly Puffy”). The CPAN assessed Huffly Puffy a total penalty of \$27,830.00 for two alleged violations of Article 10.1 of Title 40. The violations are specifically listed in the CPAN.

2. Staff personally served the CPAN on Respondent on January 2, 2025.¹

3. On January 29, 2025, the Commission referred this proceeding to an Administrative Law Judge (“ALJ”) by minute entry.

¹ See the CPAN at 2.

II. FINDINGS AND CONCLUSIONS

A. Remote Evidentiary Hearing and Unified Numbering System for Hearing Exhibits

4. A remote evidentiary hearing in this matter will be held on March 11, 2025, at 1:00 p.m., as ordered below. A remote hearing is where the Parties and ALJ appear remotely. A webcast of the proceedings will be available to the public through the Commission's website.

5. This Decision, Attachment A, and Attachment B provide important information and instructions to facilitate holding the remote hearing, which all Parties must follow.

6. The procedures developed for the remote evidentiary hearing are intended to replicate, as practicable, evidence presentation as it occurs when Parties and witnesses are present in the hearing room. For example, participating by video conference allows Parties and witnesses to view exhibits on the video conference screen while the exhibits are being offered into evidence and witnesses testify about them.

7. The remote evidentiary hearing will be conducted via video conference using the Zoom platform. Attachment A to this Decision provides information about the Zoom platform and how to use Zoom to participate in the remote hearing. To minimize the potential that the hybrid hearing may be disrupted by non-participants, the link and meeting ID, or access code to attend the hearing will be provided to the Parties by email approximately one week before the hearing and the Parties and witnesses will be prohibited from distributing that information to anyone not participating in the hearing.

8. At the hearing, the Parties may call witnesses, present evidence, and make arguments in support of their position. Evidence includes documentary exhibits, testimony, and other tangible items that a Party wishes the ALJ to consider in reaching a decision as to the

allegations in this proceeding. Given that the hearing will require remote participation by video conference, exhibits must be presented electronically.

9. The Public Utilities Commission Administrative Hearings Section uses box.com to receive and manage exhibits that are first presented in this type of hybrid evidentiary hearing.² As such, it is essential that the Parties ensure they can access and use box.com prior to the evidentiary hearing. To this end, the Parties will be provided box.com links and instructions to: (a) upload exhibits for use during the hearing; and (b) download exhibits once they are presented during the hearing.

10. Each Party must: (a) pre-mark all hearing exhibits with a hearing exhibit number within their assigned number block before uploading the exhibits to the Party's designated box.com folder; (b) sequentially page-number each page of exhibits longer than two pages, with the first page number as page 1, regardless of content, before uploading the exhibits to the Party's designated box.com folder; and (c) upload all pre-marked exhibits into each Party's respective designated box.com folder prior to the presenting them during the hearing.

11. Attachment B outlines procedures and requirements for marking and formatting exhibits aimed at facilitating efficient and smooth electronic evidence presentations at the remote hearing. It is very important that the Parties carefully review and follow all requirements in this Decision and Attachments A and B.

² Box.com is a web-based document sharing service. When exhibits are first presented during the hearing, the Commission will receive them electronically from each Party's box.com folder for display.

12. To efficiently organize the numbering and preparation of exhibits for the hearing, the Parties shall use a unified numbering system for all hearing exhibits. Blocks of hearing exhibit numbers are assigned as follows:

- Staff is assigned hearing exhibit numbers 100 to 199; and
- Respondent is assigned hearing exhibit numbers 200 to 299.

B. Additional Procedural Notices and Advisements

13. The ALJ will retain the discretion to change the method by which the hearing will be conducted.

14. Additional procedural requirements may be addressed in future Interim Decisions.

15. This proceeding is governed by the Rules of Practice and Procedure found at 4 *Colorado Code of Regulation* 723-1. The ALJ expects the Parties comply with these rules. The rules are available on the Commission's website at <http://puc.colorado.gov/pucrules>, and in hard copy from the Commission.

16. A Party's failure to appear at the scheduled evidentiary hearing may result in decisions adverse to their interests, including the assessment of penalties against Respondent.

17. The ALJ will hold an informal practice video conference session if requested by any Party to give the Parties an additional opportunity to practice using Zoom and box.com before the hearing.

18. The Parties may contact the Commission Legal Assistants by email at casey.federico@state.co.us or stephanie.kunkel@state.co.us to schedule an informal practice videoconference session.

19. The Parties will receive information and a link to participate in the informal practice session by email.

III. **ORDER**

A. It Is Ordered That:

1. A remote hearing is scheduled as follows:

DATE: March 11, 2025

TIME: 1:00 p.m.

WEBCAST: Commission Hearing Room

METHOD: Join by video conference using Zoom at the link to be provided in an email from Commission Administrative Staff³

2. The Parties and witnesses may not distribute the Zoom link and access code to anyone not participating in the remote hearing.

3. All participants in the hearing must comply with the requirements in Attachments A and B to this Decision, which are incorporated herein, consistent with the discussion above.

4. **Video Conference Participation.** Counsel for the Parties, Parties, and witnesses must attend in the evidentiary hearing by video conference using the Zoom platform.

5. **Evidence Presentation at the Evidentiary Hearing.** Because the hearing will accommodate remote participation by video conference, Parties must present all evidence electronically. Each Party is responsible for ensuring that they and their respective witnesses: (a) have access to all pre-filed exhibits; and (b) can download and view documents available from box.com during the hearing.

6. The Administrative Law Judge will hold an informal Zoom practice session upon request.

³ Additional information about the Zoom platform and how to use the platform are available at: <https://zoom.us/>. All are strongly encouraged to participate in a test meeting prior to the scheduled hearing. See <https://zoom.us/test>.

7. The Parties shall comply with the requirements established in this Interim Decision and shall make the filings as required by the adopted procedural schedule.

8. This Decision is effective immediately.
