Subject: NG911 Study Kickoff Meeting
Date: Saturday, December 04, 2010 12:08:19 PM

Task Force Members:

Mission Critical Partners will hold a kickoff meeting for their Next Generation 9-1-1 study for Colorado on Friday, December 10 (this week!) at 1 pm. I know it's short notice, but we felt it was better than pushing it into January due to the holidays.

The meeting will be conducted by webcast, and I will send instructions for signing in before the meeting.

Members of the Task Force are specifically invited, but other interested parties are also welcome to attend.

Thank you!
